There are too many governing bodies. They're all corrupt. I think they have replaced the old Mobsters with the kind of 'corporate rule' of boxing.

~Larry Merchant

Follow the wisdom of the great actor, James Cagney, you hit your mark, you look the other guy in the eye, and you tell the truth.

~Larry Merchant

Nothing will kill boxing, and nothing can save it.

~Larry Merchant

If I were 50 years younger, I would kick your ass

~Larry Merchant

Was it your strategy to just take as much punishment as you could and then hope he would fall down?

~Larry Merchant

To say he has a glass chin is an insult to glass.

~Larry Merchant

Just because you BEAT Michael Jordan doesn't mean you BECOME Michael Jordan.

~Larry Merchant

I don't think that boxing historians have been able to find a case in which a great fighter, or a fighter presumed to be a great fighter, came to such an ignominious end.

~Larry Merchant

Betting stimulates the caring glands. That is where there is so much caring at the racetrack.

~Larry Merchant

Too much youth, hunger, mission, and talent.

~Larry Merchant

Fernando Vargas may have had a 6-pack in his stomach, but he didn't have a six-pack on his chin.

~Larry Merchant

Vitali Klitschko doesn't get enough credit for how intelligent he fights, because he knows when to throw at the target and when to throw through the target.

~Larry Merchant

Jameel McCline acts as if attacking Wladimir Klitschko is akin to attacking Russia during winter

~Larry Merchant

This fight figures to be crunk

~Larry Merchant

It's hard to break through the clutter of fighters out there trying to get attention.

~Larry Merchant

No use gambling if you can't lose your head once in a while.

~Larry Merchant

The thorough bred against a clamor, or rather the Porsche vs. the pickup truck.

~Larry Merchant

The Super Bowl is like Christmas shopping at Macy's for bookies.
