

Larry Wilmore

Quotes

People, Writing, Mean, Magic, Hollywood, Way, Believe, Different, Ideas, Kids, Guilt, Prodigies, Philosophy, Ghetto, Watches, Discovery, White, Rooms, Sides, Ownership

Saying slavery was the cause of secession isn't politically correct; it's correct correct.

~Larry Wilmore

You know that sadness and rage you feel about your money? That's the way some of us feel about people.

~Larry Wilmore

The Oscar nominations are out, and they're so white a grand jury has decided not to indict them.

~Larry Wilmore

I love writing family stories.

~Larry Wilmore

It almost seems like God is transforming into just a strictly spiritual advisor, a personal-transformation type of figure more than an explainer of the world, you know?

~Larry Wilmore

Science was the known and then people would place God in the unknown, like God explained the unknown.

~Larry Wilmore

There always seemed to be a place for God and, to me, it seemed like God was a place in the unknown side of the ledger.

~Larry Wilmore

You could be a music prodigy at age 4, like Mozart, but you can't be a writing prodigy.

~Larry Wilmore

I think it was Fran Lebowitz who said that there are no writing prodigies. You have to have something to write about.

~Larry Wilmore

A lot of science started off as magic, where people were burned at the stake for doing science basically.

~Larry Wilmore

When you're in the eye of the hurricane, you're making the show - you just want the show to be good, you want it to be appreciated and those types of things.

~Larry Wilmore

When I was a kid, I was very much interested in magic and science. They fueled interest in one another.

~Larry Wilmore

Even though you're in charge you're not completely in ownership. You know, the audience takes a huge ownership of your show.

~Larry Wilmore

There's a lot of magic in science, so to speak.

~Larry Wilmore

I've always felt like I had a guardian angel in some of those ways.

~Larry Wilmore

I like to get things going. I get so many different ideas, whether it's film, TV, whatever.

~Larry Wilmore

When I was born there were still different drinking fountains you had to drink out of.

~Larry Wilmore

I started as a standup comic and an actor.

~Larry Wilmore

Catholic and Jew - it's very closely related, a lot of holidays, a lot of guilt, a lot of the same things going on.

~Larry Wilmore

You go, dark energy! Go on, dark matter. They don't understand you, dark matter. They don't get you.

~Larry Wilmore

It was tough when people would say, "Aren't you so excited?" about the new show and I couldn't really say, "Yes, well, I'm going through a divorce right now, too."

~Larry Wilmore

When I was a kid, there was kind of a given that there were some really bad, racist police out there. That's just what America was like when I was a kid.

~Larry Wilmore

Hollywood wanted a certain type of comic - that Def Jam comedy style of comic that was very loud, very brash, very much from the ghetto, had that sensibility.

~Larry Wilmore

I've always been sort of entrepreneurial. ... I felt that I needed to learn how to write and produce so I could write my own thing and not worry about Hollywood finding me.

~Larry Wilmore

I don't want to slam somebody else's religion. I mean as a Catholic, we're basically cannibals: We eat Jesus every Sunday, you know? So who am I to say your religion is creepy?

~Larry Wilmore
