

Latrell Sprewell

Quotes

*Sports, Thinking, Years, New York, Able, Want, Men, Good Night, Needs,
Teamwork, America, October, Helping, Kids, Nice, Shoes, Talking, Basketball, I
Love New York, Winning*

It always feels good to come back here. I love New York... it's just nice to see a lot of familiar faces.

~Latrell Sprewell

People say I'm America's worst nightmare. I say I'm the American dream.

~Latrell Sprewell

I need to put bread on the table man

~Latrell Sprewell

I just meant as far as coming to the games on time; it was just like I was under the microscope, every little thing, it was like they were looking for me to come in here with my shoes untied.

~Latrell Sprewell

When I was put in a situation where I'm going there, you have to look at the team and the possibility that hey, we can probably do some good things over there.

~Latrell Sprewell

Well I forgot how different it was because I've been here for about four or five years. It's a big load off my shoulders now. Now that I'm there, I'm like, man, I can breathe a little bit, you know?

~Latrell Sprewell

Over there, Kevin McHale, I feel like I'm talking to someone I know. It's just a total different atmosphere.

~Latrell Sprewell

I definitely think that myself and Sam will help the Timberwolves.

~Latrell Sprewell

Why would I want to help them (the T -Wolves) win a title? They're not

doing anything for me. I'm at risk. I have a lot of risk here. I got my family to feed.

~Latrell Sprewell

I have a family to feed.

~Latrell Sprewell

Fortunately for me I was able to do well here, and it really did great things for my career and now hopefully I can go out there and continue to do what I did.

~Latrell Sprewell

I'm 33 years old now. I really want that ring. I got a taste of it here.

~Latrell Sprewell

I think was able to do a lot of things here.

~Latrell Sprewell

I love New York. A part of me will always be here. What can I say.

~Latrell Sprewell

So much tension around here in New York. They want to fine you for every little thing you do.
