I find myself watching cable and television much more than going to the movies.

~Lauren Shuler Donner

I always feel like every film takes the franchise and hangs it in the balance.

~Lauren Shuler Donner

The thrill of doing television versus features is in television you get to focus more on the characters.

~Lauren Shuler Donner

I am really excited that we have Jemaine Clement in the show [X-men], because I freakin' love Flight of the Concorde. It was so exciting to work with him.

~Lauren Shuler Donner

At a certain point people want to see other movies besides comic book movies so you have to be really careful what you're going to pick, and how many are going to be released within a year.

~Lauren Shuler Donner

I've never produced a series, so for me [X-men] was a wonderful challenge.

~Lauren Shuler Donner

We just don't want to repeat anything that we've done in the movies [X-man] or that we're going to do in the movies. There's so many stories to tell, we just want to stay out of each other's way.

~Lauren Shuler Donner

There's 54 years of X-Men comics by now, so there are a lot of characters to explore.

~Lauren Shuler Donner

I am a producer who NEVER discusses her budgets, EVER, ever ever.

~Lauren Shuler Donner

I think it's good to tell the fans "this movie's going to lead to that, and that will lead to..."
