To deal with reality you must first recognize it as such.

~Laurence Gonzales

Bureaucracies force us to practice nonsense. And if you rehearse nonsense, you may one day find yourself the victim of it.

~Laurence Gonzales

We don't understand the power of nature and the world because we don't live with it. Our environment is designed to sustain us. We are the domestic pets of a human zoo called civilization.

~Laurence Gonzales

To survive you must find yourself then it won't matter where you are.

~Laurence Gonzales

Success is a dangerous element in any endeavor. Embrace the struggle. Beware the achievement. For it steals your caution even as it leads you down the next unknown pathway.

~Laurence Gonzales

The word 'experienced' often refers to someone who's gotten away with doing the wrong thing more frequently than you have.

~Laurence Gonzales

Count your blessings. Be grateful-- you're alive

~Laurence Gonzales

Gravity is on duty all of the time.

~Laurence Gonzales

The sun beams are always there. The trick is in seeing them.

~Laurence Gonzales

We think we believe what we know, but we only truly believe what we

feel.

~Laurence Gonzales

The summit is not the only place on the mountain.
