I think Trump's affinity for Netanyahu is part of the fact that he is most comfortable with fellow bullies. He is setting up a worldwide club of ruling bullies.

~Lawrence Davidson

The continual linking of the notions of terrorist and terrorism with Muslims and the Middle East is, essentially, an act of propaganda that cannot help but promote "Islamophobia."

~Lawrence Davidson

Trump's election means that you have a US government that will no longer do one thing and say another.

~Lawrence Davidson

If the Americans do move the embassy to Jerusalem, and eventually the rest of the world follows suit, it will mark the end of Palestinian hopes for a two-state solution.

~Lawrence Davidson

If Donald Trump shows signs of backing out of Europe, the Russians might be willing to stay out of his confrontation with Iran. If he follows Obama's program in Europe, things might be different.

~Lawrence Davidson

If Trump takes an aggressive anti-Iranian stand, I suspect it will complicate his relations with Russia; how much so, depends on what else Trump does, particularly about participation in NATO.

~Lawrence Davidson

The question is: Will Trump's ego allow him to reconsider any negative moves that he now might have in mind? Such reconsideration is really out of character for him.

~Lawrence Davidson

Consequences of acting in Donald Trump's usual egocentric, "I make the rules," way can be quite dangerous for all of us.

~Lawrence Davidson

Under Trump, the US will give its blessing to Israeli imperialism and racism.

~Lawrence Davidson

Donald Trump has no sympathy with underdogs. They, including the Palestinians, are just "losers." So he will bring words and action together as Netanyahu wishes.

~Lawrence Davidson

With the exception of Obama's belated lame-duck behavior, the US has always, in practice, supported Israel unquestionably.
