I love that period, between the '20s and the '60s. I love doing period pieces, and those eras are my favorite period in time, music wise, and the elegance and the way of being.

~Laz Alonso

When you are really in love, you become vulnerable, and insecurities come out of nowhere.

~Laz Alonso

I want to play roles that I'm proud of, that I feel a certain integrity about, and I want to continue to be truthful in the work that I do.

~Laz Alonso

There is a little bit of me infused in every character I play.

~Laz Alonso

Eventually one day I want to direct, but as of right now my next cap that I'm looking for is the producer cap.

~Laz Alonso

Just because you fall in love with someone doesn't mean that your families are going to fall in love with each other.

~Laz Alonso

There was a day where I was sitting at my desk, working 90-hour work weeks, in a suit, looking at a computer, with all these pitch books on my desk, and I just thought, "This can't be my life..."

~Laz Alonso

I'm a martial artist. I've boxed all my life. I work out. I studied Hwarangdo, which is a Korean style.

~Laz Alonso

I believe in my heart that 'Avatar' is going to be the revolutionary sci-fi

movie for this generation, in this era.

~Laz Alonso

I've been very blessed to work in some films that I'm very proud of.

~Laz Alonso

I'm flattered that women think that I'm sexy.
