Tell me I can't so I can show you I CAN!

~Ledisi

When you don't know how beautiful you are, you will always be in search of happiness.

~Ledisi

Be careful of who and what you let into your space. Not everyone is worthy of your presence.

~Ledisi

Let your work speak for you. Stay humble. And just DO the work.

~Ledisi

There ain't a wrong time or a wrong place to flaunt. If you feel good, then go on and show it off!

~Ledisi

I study a lot of the greats; I study the current people out now and what people are listening to now. I don't shun anything away; I just check it all out and make my own judgment.

~Ledisi

I'm not competing with anyone, or begging someone to love me. I feel like I'm loved and I deserve to be where I am.

~Ledisi

I would just listen to the complaints about what I do instead of celebrating what I do, and that I'm different and in my own lane. It took a while for me to just ignore the doubts.

~Ledisi

I'm known for long colorful locs but I still don't take my hair too seriously. Changing it helps express who I am.

~Ledisi

Know the business you're in for whatever you do, know it and understand how it works so you can be successful.

~Ledisi

So in every sense, from an independent artist to a major label artist, you just have to have great product, great faith and great people, they all go together.

~Ledisi

I've had great people come in my life, meaning not just men, but women, support me and empower me. So that has lifted me to be the woman I am.

~Ledisi

I'm very open, I love music and I love people so you need to know what's going on.

~Ledisi

Any success matters to me.

~Ledisi

our product will speak for itself if it's that good and your fan base will come and people will want it. Having the right people in your circle is very important to help support that.

~Ledisi

I love energy and people; gosh I love people even when they got on my nerves.

~Ledisi

It takes a while to really love yourself...

~Ledisi

If love found me it can surely find you. I ain't even got one sad tear left in me.

~Ledisi

I'm everything I'm made of. So a part of me is made of classical music. I'm grateful for it.

~Ledisi

There's always a story in music, and it's expressed through my music.

~Ledisi

I'm always doubting because I've been told so much that, you're not the right look or you're not the right sound, and, you know, whether I do jazz or R&B there are always complaints.
