So it's like starting over again, but I look forward to the challenge.

~Lee Majors

I've had disappointments and heartbreaks and setbacks and roles I didn't get, but something always came along that either made me better or was an even better role.

~Lee Majors

My fiancée and I recently eloped. We went on a fabulous honeymoon to Europe, and I was able to see and do everything I wanted without worrying about taking it easy.

~Lee Majors

I've never seen a schedule where you just go in two hours almost every day of the week and then all day on one day. Then you shoot it at night with an audience and you're out of there.

~Lee Majors

I got kind of burned out, so I moved to Florida. I was down there for 10 or 12 years, raising children.

~Lee Majors

I have done a series in the '60s, '70s and '80s.
