Designing bridal is perfect for me, because black is my least favorite color, if you could call it a color.

~Lela Rose

My culinary wardrobe is the same as my biking wardrobe, just no shoes.

~Lela Rose

The wisest advice I ever received regarding the kitchen came from my mother: 'Do the dishes while you're cooking.'

~Lela Rose

If you splurge, do it on an item that's fun, because you'll feel good whenever you put it on.

~Lela Rose

Style is an attitude; a trend is just another thing to follow.

~Lela Rose

The hands really show signs of age.

~Lela Rose

My mother always taught me to wear clothes for myself and not to follow trends as trends will end!

~Lela Rose

I'm a good skin, natural makeup kind of gal.

~Lela Rose

I really don't like take-out.

~Lela Rose

I love to cook and entertain.

~Lela Rose

I have always wanted to own a homemade ice cream shop!

~Lela Rose

I bike around New York City as a way of getting everywhere I need to go.

~Lela Rose

For my kids, I cook everything. We have dinner every night, pretty much, just the four of us: my husband and me and our two kids.

~Lela Rose

Do the dishes while you're cooking.
