I think reading is part of the birthright of the human being

~LeVar Burton

I fly my geek flag proudly. Absolutely.

~LeVar Burton

As long as we are engaged in storytelling that moves the culture forward, it doesn't matter what format it is.

~LeVar Burton

I'm enormously proud of the fact that Star Trek has really not just sparked an interest, but encouraged, a few generations of people to go into the sciences.

~LeVar Burton

For me, literacy means freedom. For the individual and for society.

~LeVar Burton

I get most of my news updates from electronic and social media.

~LeVar Burton

In a society that functions optimally, those who can should naturally want to provide for those who can't. That's how it's designed to work. I truly believe we're here to take care of one another.

~LeVar Burton

Maturity is a series of shattered illusions.

~LeVar Burton

Libraries do one thing that no other institution does and that's provide access to all.

~LeVar Burton

Reading a hard copy book, and reading a book on an iPad are slightly

different experiences. What they both have in common though is that you must engage your imagination in the process.

~LeVar Burton

If we marry educational technology with quality, enriching content, that's a circle of win.

~LeVar Burton

After many years of training myself, strong emotions are now a trigger for me to look at something. I think that all emotions are triggers for us to grow in our level of consciousness.

~LeVar Burton

There would be no Star Trek unless there were transporter malfunctions.

~LeVar Burton

I genuinely believe we have an opportunity to revolutionize how we educate our children.

~LeVar Burton

The unvarnished truth is that we have spent the last decade funding the machinery of war, and our children have been sacrificed.

~LeVar Burton

All literature is political.

~LeVar Burton

Kids are sponges. They will emulate what they see and what they're exposed to.

~LeVar Burton

We have an amazing advantage right now in that we have developed technology that is so sexy, so engaging for kids.

~LeVar Burton

For me, a good children's book is a good children's book is a good children's book.

~LeVar Burton

I'm excited to see how current and future technologies revolutionize the way we learn.

~LeVar Burton

It's definitely true that there are a lot of the devices we used on 'Star Trek,' that came out the imagination of the writers, and the creators that are actually in the world today.

~LeVar Burton

You can break down anything for a child, and you have to know what your child is ready for and what your child is not.

~LeVar Burton

I have always been a fan of 'Star Trek.' I love Gene Roddenberry's vision of the future.

~LeVar Burton

We had to figure out how to produce books in a cost-effective way.

~LeVar Burton

Jim Carrey can do anything he wants, right? There are guys like that. I'm not one of those guys, so my career has been cobbled together with what the universe has put in front of me.

~LeVar Burton

I've always been interested in gadgets and technology and I've always been a reader.

~LeVar Burton

I've always been the sort of guy who's happiest doing more than one thing at a time.
