A good reputation for yourself and your company is an invaluable asset not reflected in the balance sheets.

~Li Ka-shing

It doesn't matter how strong or capable you are; if you don't have a big heart, you will not succeed.

~Li Ka-shing

Set your goals high; make friends with different kinds of people; enjoy simple pleasures. Stand on high ground; sit on level ground; walk on expansive ground.

~Li Ka-shing

Information and communications technology unlocks the value of time, allowing and enabling multi-tasking, multi-channels, multi-this and multi-that.

~Li Ka-shing

As people seek to improve their living environment, there will be continuous demand for residential property. Investment in real estate market should have reasonable prospects in the long run.

~Li Ka-shing

Businessmen must move with the times...the correlation between knowledge and business as the key to success is closer than ever.

~Li Ka-shing

We are living in a dynamic age with multiple ideas and beliefs of correctness; this world is not deterministic and not still.

~Li Ka-shing

Vision is perhaps our greatest strength.. it has kept us alive to the power and continuity of thought through the centuries, it makes us peer into the future and lends shape to the unknown.

~Li Ka-shing

I was once an employee myself, so I know what employees want.

~Li Ka-shing

Broaden your vision, and maintain stability while advancing forward.  
That is my philosophy.

~Li Ka-shing

I will never be satisfied, like the Olympics.

~Li Ka-shing

I was facing life for the first time. I was 12 years old, but I felt like a 20 year old. I knew then what life was.

~Li Ka-shing

The fruit that you eat will never taste as beautiful as the fruit that I ate during the turmoil of war. You will never cherish it as much as I do.

~Li Ka-shing

Buying land is not like buying antique. It is not the only deal available.

~Li Ka-shing

Sound economic fundamentals coupled with a number of positive factors have partially offset the psychological impact of rising interest rates in Hong Kong.

~Li Ka-shing

In the U.S., philanthropic support from entrepreneurs is tightly integrated into the fabric of society, whether it's health care, medical research, or education. Now, slowly, China will know this.

~Li Ka-shing

If it is something that is right for human beings, then I don't care if other

people criticize. You cannot please everyone in the world.
