Long, Asian*

As a historical legacy, the Kashmir conflict has been an outstanding issue for more than half a century.

~Li Peng

At the beginning of the new century, it is the common aspiration of the peoples of the two countries to deepen mutual understanding, enhance trust, develop friendship and strengthen cooperation.

~Li Peng

Comrade Deng Xiaoping - along with other party elders - gave the party leadership their firm and full support to put down the political disturbance using forceful measures.

~Li Peng

In the spring and summer of 1989, a serious political disturbance took place in China.

~Li Peng

We are ready to engage in international co-operation against terrorism with a view to safeguarding national interests and regional security and stability.

~Li Peng

People of all countries have the right to choose their own social system and road to development in the light of their national conditions and characteristics.

~Li Peng

A multi-polar world can not exist without recognising the status and participation of developing countries.

~Li Peng

We have reiterated on many occasions that China wishes to establish and develop long-term, good-neighbourly and friendly relations with all

countries in south Asia.

~Li Peng

China and India are close neighbours linked by mountains and rivers and the Chinese and Indian peoples have enjoyed friendly exchanges for thousands of years.

~Li Peng

When President Jiang Zemin visited India in 1996, the two sides decided that they would jointly build a constructive partnership of cooperation oriented towards the 21st century.

~Li Peng

Today, being the biggest developing countries in the world, China and India are both committed to developing their economy and raising their people's living standards.

~Li Peng

Normal military trade is undoubtedly part of the normal State-to-State relations.

~Li Peng

We sincerely hope that south Asian countries will respect and live in amity with each other, and achieve common development, and that south Asia will enjoy peace, stability and prosperity.

~Li Peng

Since the end of the Cold War, hegemonism has become increasingly unpopular.

~Li Peng

If you create a new party... to try to deny the communist party leadership, then not be allowed to exist.

~Li Peng

If some Western politician claims he is in a position to use the normal Western methods to feed and clothe 1.2 billion Chinese, we would be happily prepared to elect him president of China.

~Li Peng

China has always maintained that all countries, big or small, rich or poor, strong or weak, are equal members of the international community and they should stand and speak in the world as such.

~Li Peng

That was the peak. I just knew it was modern, not traditional culture. I could be cool

~Li Peng

Ours is a colourful and diversified world. It is also a complex one.

~Li Peng

Since China has a population of 1.1 billion, it won't feel lonely even if it becomes the only socialist country.

~Li Peng
