I'm Liam Gallagher and I'm in Oasis. The whole world is jealous of me. It should be.

~Liam Gallagher

I am a tender, beautiful and loving guy that happens to slap a photographer now and then because they get in my way.

~Liam Gallagher

I suppose I do get sad, but not for too long. I just look in the mirror and go, 'What a f\*\*\*ing good-looking f\*\*\* you are.' And then I brighten up.

~Liam Gallagher

I know how to behave but sometimes I can't be bothered.

~Liam Gallagher

I live for now, not for what happens after I die. I'm going to hell, not heaven. The devil has all the good gear. What's God got? The Inspiral Carpets and nuns.

~Liam Gallagher

There's no rules. Show me the rule book.

~Liam Gallagher

I was walking along and this chair came flying past me, and another, and another, and I thought, man, is this gonna be a good night.

~Liam Gallagher

I was brought up Catholic. Then I had a joint and looked at the world differently.

~Liam Gallagher

I'm not like John Lennon, who thought he was the great Almighty. I just think I'm John Lennon.

~Liam Gallagher

Discipline? I don't know the meaning of the word.

~Liam Gallagher

Chris Martin looks like a geography teacher.

~Liam Gallagher

It gets better and better being me.

~Liam Gallagher

I live for now, not for what happens after I die.

~Liam Gallagher

She can't even chew gum and walk in a straight line, let alone write a book.

~Liam Gallagher

Lennon was right. And we are bigger than Jesus. We will be as big as the Beatles, if not bigger.

~Liam Gallagher

Once the music gets in you, it doesn't leave you.

~Liam Gallagher

Everyone knows that if you've got a brother, you're going to fight.

~Liam Gallagher

I don't know what any of my songs are about. I don't sit down to write about anything. They're about whatever you want. I don't pick subjects. I just start.

~Liam Gallagher

Every time I look in the mirror, God looks back.

~Liam Gallagher

I respect the Stones but their songs are a pile of crap. As for U2, they don't say a lot or seem like normal persons.

~Liam Gallagher

You've either got it or you haven't.

~Liam Gallagher

I don't like jeans with holes in 'em. I like 'em faded.

~Liam Gallagher

I'm not looking for guidance.

~Liam Gallagher

I'm into the girls fancying me and stuff, mad for it.

~Liam Gallagher

It's about the music and that's it. I'm not an entertainer. But I do entertain people, see what I mean?

~Liam Gallagher

The idea of sitting at home, not making music, just makes me want to throw up.

~Liam Gallagher

That's what you join a band for, is to make music. Not to sit around and have five years off. We're not getting any younger.

~Liam Gallagher

You've seen one of the our gigs you've seen 'em all. But if you're into the music, you'll know that we played better the night before or we can play better.

~Liam Gallagher

I find words really hard.

~Liam Gallagher

Being a lad is what I'm about. I can tell you who isn't a lad - anyone from Blur.

~Liam Gallagher

I definitely prefer to be in a band. There's too many solo people, and bands are suffering. There's too many great bands that have split up because somebody's got an ego, and then he goes solo.

~Liam Gallagher

I love the Beatles. What more can I say? I'm not gonna lie to you. I love 'em. They make me happy. And I think they were the best, and still are.

~Liam Gallagher

I've got to be by trees, otherwise I get claustrophobic.

~Liam Gallagher

Being a lad is what I'm about.

~Liam Gallagher

I will always be an Oasis.

~Liam Gallagher

If I like something, I get it and I put it on.

~Liam Gallagher

It's nice to do nice things, innit? I'm a nice person, deep down, I do nice things all the time.

~Liam Gallagher

I didn't always want to be a dad.

~Liam Gallagher

I don't know what any of my tunes are about, they're just out there. I'm not good with words. I just say the first thing that comes into my head

~Liam Gallagher

I'll never have a stylist.

~Liam Gallagher

My favorite album would have to be something from The Beatles.

~Liam Gallagher

I'm not going around touring the U.S. when I've got nowhere to live.

~Liam Gallagher

Not everyone can say, 'I'm going to write a classic today.' If that was the case, we'd all be doing it.

~Liam Gallagher

New York is my favorite city in the world.
