I was of the type who gets bullied rather than the one who does the bullying, which I'm glad about. I'd rather be that than a bully.

~Lily Cole

Giving triggers social cohesion. It's also the basis for an economy not based on money.

~Lily Cole

It's hard to appreciate the importance of the rainforest because it seems so far away, but it's vital to the survival of the planet as we know it.

~Lily Cole

I would like better colouration of my legs, like a little less of that English mottled purple thing that makes it necessary to wear tights all the time.

~Lily Cole

Don't overpluck your eyebrows. A make-up artist told me this once, and I've always remembered it.

~Lily Cole

Talent is crucial. It needs to be driven by motivation, but blind ambition isn't the key.

~Lily Cole

I don't believe there's an afterlife - but I don't believe there's an end to life. Consciousness goes beyond the bounds of your body.

~Lily Cole

I kind of see clothes a bit like role-playing, depending what mood I'm in.

~Lily Cole

I paint - I tend more to abstraction - but not as much as I would like to

because of time. I would love to do sculpture - I've toyed with the idea of fitting in a sculpture course.

~Lily Cole

I found going to school when I was modeling very grounding. It's really kept my perspective on bigger things in my life.

~Lily Cole

In British culture, redheads get teased at school. But I've grown up enough to realize I love my hair.

~Lily Cole

I was like most teenagers. I wanted to look more conventional - you know, to just be the pretty girl in school.

~Lily Cole

If I'm anywhere close to where I can hike or swim, that's my favourite thing to do.

~Lily Cole

I take my books everywhere. Plane journeys are a good opportunity to study, or also when I'm having my hair done.

~Lily Cole

I love modeling but also see it as a platform for the million other things I want to achieve and create in life.

~Lily Cole

I'll always try to follow my heart into things I love, and modelling is not something I'm dreaming of pursuing forever.

~Lily Cole

I love yoga. I don't do it as much as I'd like to, but I feel wonderful when I do.

~Lily Cole

I've always cared about issues, always thought through problems. I don't know how much that comes from my personality or my mum.

~Lily Cole

I have set up several businesses as social businesses, and I am a great believer that the power of business should be used for good.

~Lily Cole

I usually have a lip balm in my bag and mascara as well. I don't really wear much make-up, but I like mascara because I've got fair colouring.

~Lily Cole

I'm not sure if it's fair to call it a "fairy tale," but I really loved Mulan, the Disney film. It was my favorite. I guess it's not really a fairy tale, but you do get Eddie Murphy as a dragon.

~Lily Cole

I think the media are so hypocritical a lot of the time in the way they chastise something just so that they can print it again.

~Lily Cole

There's an inherent contradiction between appreciating the beauty of clothes and creativity and individuality, and the waste around the ideas of trends and seasons.

~Lily Cole

Im just a lipgloss, blush and mascara kind of girl. I like playing with a bright lipstick or a heavy eye... But not together!

~Lily Cole

Acting is something I've done since I was six years old, performing for my mum and my family in the living room, and I do it because my

heart's in it.

~Lily Cole

It doesn't make me very happy to be on my computer all the time. I've never been drawn to that world.

~Lily Cole

People do make assumptions about models. That's their issue, not mine. It doesn't bother me because I'm comfortable enough in my own skin - I know who I am.

~Lily Cole

The need to protect the environment has emerged as an undeniably important priority for me.

~Lily Cole

I started modeling at 14. It's simple. You respond to what the photographer wants and wear other people's ideas. I got bored with it, though, so I went to university.

~Lily Cole

I have to admit I've always had quite a complex relationship with modeling and with the idea of advertising: not always knowing what I'm advertising and selling.

~Lily Cole

I have made a living off the way I look, and I have really learnt to accept myself for being unusual.

~Lily Cole

Modelling, fashion and film have all encouraged me to learn more about issues and to feel empowered enough to do something about them.

~Lily Cole

I part-own a bookshop for some strange coincidence of reasons, and it is one of the best things I part-own in my life, or own in my life. I do not know, it just feels great.

~Lily Cole

Production chains, how consumers can drive change: all these things may seem at odds with fashion, but arguably, they're not.
