In the end when you accept yourself for who you are and you work with what you've got, you couldn't be more beautiful because you're confident and everyone notices.

~Lily Collins

To look into that persons eyes and find yourself so completely lost in another world, a world full of absolute comfort and happiness.

~Lily Collins

Life is only as meaningful as you fool yourself into thinking it is.

~Lily Collins

It truly is the power that you have deep within yourself that gives you the strength to pursue your dreams.

~Lily Collins

No matter what, I need to maintain my sense of self and always be true to who I am.

~Lily Collins

Think before you speak. Think before you judge. Think before you think you have a person all figured out.

~Lily Collins

There's this common perception that having a famous last name is all you need. A surname may get you a meeting, but if there's no talent you won't get the part.

~Lily Collins

Life works in mysterious ways but when you find your inner glow is back and shining brighter, you know it's right.

~Lily Collins

I really think everything happens for a reason.

~Lily Collins

It's really important to stand up for yourself and not always agree with what people say if indeed you don't feel that that's true

~Lily Collins

I'm drawn to roles that have real substance, that aren't just the victim or the teenage girl or the girlfriend.

~Lily Collins

I was actually the one who decided to move to LA. Mom and I were driving on Sunset Boulevard during one of our trips back to see her family, and I said, 'Can we just stay?' So we did.

~Lily Collins

~Lily Collins

Never once does Snow White herself look in the mirror so she isn't aware of her beauty or what apparently that does to people. It's really just the queen and the prince that talk about it.

~Lily Collins

I don't really have a favorite song. Music is such a big part of who I am, and speaks to so many different emotions inside me, that I don't have an all-time favorite.

~Lily Collins

When you trust and have elevated personnel in each department then the sky really is the limit.

~Lily Collins

Big brows weren't the look in L.A., where I grew up. But my mom

instilled in me that it's the quirky things that make you beautiful.

~Lily Collins

I had some difficult times when I first moved to Los Angeles when people would tell me I was saying things wrong. I felt different although my mum kept reminding me it was OK to be different.

~Lily Collins

To play someone I loved in my favourite fairytale as a kid is a total honour.

~Lily Collins

I love watching old movies anyway - I grew up with my mom watching old movies and being immersed in the history of old Hollywood.

~Lily Collins

I was never afraid of going after what I wanted, and making that known, and being vocal about it.

~Lily Collins

[My book is] a collection of letters and essays about what it takes to be a young woman today. Mostly the taboo things that girls don't want to talk about, but once we do we realize we're not alone.

~Lily Collins

I'm a huge fan of the series of books by Cassandra Clare, The Mortal Instruments. I'm a fan myself, so to be cast as the lead heroine is completely incredible.

~Lily Collins

Decisions are the endless uncertainties of life that we'll not know if they're right until the very end, so do the best you can and hope its right.

~Lily Collins

I love baking, it's the most calming thing for me. It's therapeutic, it makes the house smell good, and I get to take the goods to my friends. I do it for other people.

~Lily Collins

It was interesting to portray a character that was so far removed from today's world, but was also at the forefront of feminism at that time.

~Lily Collins

I've grown up knowing that you put as much of your private life out there as you feel comfortable with.

~Lily Collins

The idea that I get to travel and do what I love and call it a job is just a blessing.

~Lily Collins

But the thing is, I was never looking at a strategic way of gaining fame. That's not why I'm doing this.

~Lily Collins

I'm a huge fan of the books myself, so to know that I got to play Clary - who's a literary heroine to me - was a huge honour.

~Lily Collins
