I think in real life most of us don't know how to communicate our deepest feelings very well.

~Linda Cardellini

I just got back from Switzerland, which I've never been to. I went to Switzerland and Amsterdam.

~Linda Cardellini

Being raised Catholic myself, I think people who are Catholic tend to carry a lot of guilt. It's almost a joke.

~Linda Cardellini

I think I'm going to spend some time learning how to be a first-time mom, and then I'll go back to work.

~Linda Cardellini

There are not that many jobs as an actor where you don't get to know what your character will be doing from episode to episode.

~Linda Cardellini

The one thing about being on 'ER' that has changed is that I'm more easily recognizable.

~Linda Cardellini

I love to work on a set whether it's mostly men or mostly women, but there's something about being in a community of women that changes the energy.

~Linda Cardellini

When I was a kid, 'Scooby Doo' was, hands down, my favorite cartoon. Even when I was older, when I was in college studying and I needed to tune out for a while, I'd watch 'Scooby Doo.'

~Linda Cardellini

Before I could talk, I would try to sing.

~Linda Cardellini

I enjoy playing characters where I get to sort of change my look, my voice. It's not about what she wears, it's about what she's got inside.

~Linda Cardellini

I had a really scary pregnancy and a very difficult delivery. My daughter and I are lucky to be alive.

~Linda Cardellini

We hurt each other because we care about each other.

~Linda Cardellini

You can be a woman in charge of a production and still be generous and kind and insightful and decisive without being considered a butch in any way.

~Linda Cardellini

I like diversity; I want one character to be very different from the next. I love to live with a character for a long time if I can, but I like one character to be different from the next.

~Linda Cardellini

Yes, I'm very close to my family. And being that close to your family, I think you also struggle with how to become your own person.

~Linda Cardellini

Just because someone isn't working at an office doesn't mean they're not working hard at something.

~Linda Cardellini

I'm trying not to put pressure on myself to decide what to do at this moment, and just sort of go with what's happening.

~Linda Cardellini

I think you have to have a little bit of a screw loose to think that you can [become an actor] because the odds are so against you. I was just crazy enough to think I could do it.

~Linda Cardellini

People who have no idea it's me when they first see me playing something, and later they realize, 'That's her from whatever it is,' it's a great compliment that they can forget.

~Linda Cardellini

One thing I like about trying to write is that I can possibly write myself a role. Otherwise, you're at the mercy of whatever roles are out there that people are willing to give to you.

~Linda Cardellini

I think some of the most important things we read about other people occurs from being able to read their faces and their eyes and their body and those kinds of things.

~Linda Cardellini

Everything seems to take on a new meaning when you become a parent and you put yourself in the shoes of the parent, not the shoes of the child.

~Linda Cardellini

After I finished 'E.R.', I wanted to concentrate on re-examining what kind of actress I am and taking time for real-life things.

~Linda Cardellini

I always thought I was a little shy, especially compared to my brother and my sister, but I guess I was always the kid doing performances in the front room.

~Linda Cardellini

I have sort of the career where, if you are a fan, you've been following me for a while, and you really like something that I've done, so meeting those people is always a really gracious experience.

~Linda Cardellini

I think everyone feels lost at times during their high school years.
