At one level Great Britain at the beginning of the 18th century was like the Christian doctrine of the Trinity, both three and one, and altogether something of a mystery.

~Linda Colley

A fundamental reason why Britain was not torn apart by civil war after 1688 was that its inhabitants' aggression was channelled so regularly and so remorsefully into war and imperial expansion abroad.

~Linda Colley

In Great Britain, woman was subordinate and confined. But at least she was also safe.
