

Logan Lerman Quotes

*People, Trying, Film, Thinking, Want, Filmmaker, Growing Up, Actors,
Character, Jobs, Acting, Mean, Directors, School, Roles, Cities, One Day, Long,
Different, Ideas*

It's like, to me, acting is like a child walking in the park, the better the actor, the greater the playground he has.

~Logan Lerman

I'd say a man is someone who is honest, strong-minded, moral, genuine, just a good human being.

~Logan Lerman

I would add a little more love in the world. It's ridiculous, I know, but it is one thing I would do.

~Logan Lerman

Fun. I'm not the kind of guy kids picked on in school, but I've seen it happen. I've never really given much thought to being cool. I don't really think about it one way or the other.

~Logan Lerman

I just want to make sure I'm contributing good films to movie history rather than being famous just to be famous.

~Logan Lerman

One day, I'll stop making weird faces in pictures. But not today.

~Logan Lerman

My whole family is in orthotics and prosthetics, so I grew up having to check for scoliosis every week. 'Come over. Let me feel your spine.

~Logan Lerman

Life is a rollercoaster ride and I don't intend on being the one screaming and hanging on for dear life.

~Logan Lerman

I don't really look around and say, 'I've made it.' I just look around and think how fortunate I am to work with the people I'm working with.

~Logan Lerman

I want to be a good actor more than anything - someone you can respect.

~Logan Lerman

I've written a lot and brainstorm ideas, and I plan on pursuing them very soon.

~Logan Lerman

Honestly, my character doesn't have much in common with Harry Potter besides the fact that he's an unlikely hero who's thrown into a huge situation.

~Logan Lerman

I started doing roles and working with people that I really respected and became passionate about the art form of acting. And I'm still trying to figure it out. Still learning.

~Logan Lerman

I love learning from the filmmakers that I'm working with, but more importantly, I love learning from the crew.

~Logan Lerman

When I receive a new role, I completely become my character.

~Logan Lerman

When I'm back at home it's just reality. I kind of separate myself from Hollywood.

~Logan Lerman

I did a commercial when I was, like, 5 or 6 years old for... what was it called?... Cabbage Patch Kids! That was the first thing I ever did. Little bit embarrassing.

~Logan Lerman

I love movie sets. It's another home for me. Movie theaters and movie sets - they're just the best places to be. I love them.

~Logan Lerman

I know what it means to be Jewish, and I don't think someone who wasn't Jewish would really understand.

~Logan Lerman

Berlin is my favourite city.

~Logan Lerman

A lot of times I'm on my own trying to find research material and things like that and trying to educate myself on the world and the film that I'm working on.

~Logan Lerman

When filming, I like to travel with an instrument.

~Logan Lerman

I appreciate film actors who respect the film making process.

~Logan Lerman

Growing up, I had a very normal relationship with my brother and sister. But, over time, they became my best friends, and now I hang out with them all the time. I'm very close with them.

~Logan Lerman

I have a hard time watching myself.

~Logan Lerman

I really started acting when I was 12 when I was doing this television show called 'Jack & Bobby.'

~Logan Lerman

I'm in a position where - I mean, not a lot of people are in a very fortunate position - where I kind of have the power to choose what I want to do in a way.

~Logan Lerman

I grew up going to school and high school and then shooting a movie for a few months. It's an odd way to grow up and is kind of forced maturity.

~Logan Lerman

I'm doing 'The Perks of Being a Wallflower'. It was a book I read when I was younger, and it just changed my life, and I just wanted to be a part of it.

~Logan Lerman

The film makers are the true movie stars.

~Logan Lerman

I'm always in the theater seeing everything, good or bad.

~Logan Lerman

When I was five I thought auditions were a great way to get out of school!

~Logan Lerman

My ideal role would be the lead in a film with a director that I really appreciate and admire.

~Logan Lerman

As you get older, there are different types of roles in people's lives at certain ages.

~Logan Lerman

I got into acting to get my foot in the door for film-making.

~Logan Lerman

I just love being in the U.K.

~Logan Lerman

I'd say people that really inspired me at first were like, Dustin Hoffman, Jim Carrey... serious Jim Carrey though.

~Logan Lerman

I'm just trying to find a good project. Work with a good director, someone I really admire. Find a good role.

~Logan Lerman

I just don't want to repeat the same thing over and over again, so I'm always looking for something that's going to be challenging and make me nervous every time I start a project.

~Logan Lerman

The idea of working with David Fincher or Paul Thomas Anderson or Wes Anderson or Scorsese or Spielberg or any of the guys I really idolize is a dream for me.

~Logan Lerman

A lot of times, when I'm approaching pre-production and my job, and trying to research and work on the script and whatnot it's always different.

~Logan Lerman

What you choose to do professionally is a reflection of yourself and I take that seriously as an actor. But even as a filmmaker, I take it even more seriously.

~Logan Lerman

You're not really just a filmmaker that makes a movie good most of the time. It's everybody involved; it's a collective effort.

~Logan Lerman

I started studying filmmakers, and I would say early on the ones that really inspired me the most were like the field magicians of music videos.

~Logan Lerman

Film is a collection of many mediums and collaboration and you're only as strong as the people you're working with - and everybody owns their mediums.

~Logan Lerman

You would assume that a filmmaker should know how to edit, but pretty much every filmmaker I've worked with doesn't know how to edit.

~Logan Lerman

I would love to shoot on film, but you can't really shoot a lot of footage on film, and you can't print a lot of it.

~Logan Lerman
