Studies have indicated there is a strong correlation between the shortages of nurses and morbidity and mortality rates in our hospitals.

~Lois Capps

In reality drilling is the slowest, dirtiest, and most expensive way to solve our energy crisis.

~Lois Capps

As we may know, osteoporosis affects around 10 million Americans, most of whom are over 55, and it is the cause of an estimated 1.5 million fractures annually.

~Lois Capps

Mr. Speaker, less than 10 percent of our Nation's children walk or ride their bicycles to school, and too many schools continue to invite fast-food vendors into their cafeterias.

~Lois Capps

Nurses serve their patients in the most important capacities. We know that they serve as our first lines of communication when something goes wrong or when we are concerned about health.

~Lois Capps

I have been working for years to promote a responsible energy policy that works to increase energy efficiency and invest in alternative and renewable energy sources.

~Lois Capps

What we need to do is really improve energy efficiency standards, develop in full scale renewable and alternative energy and use the one resource we have in abundance, our creativity.

~Lois Capps

I will continue to work in Washington to oppose any efforts to expand

drilling off our Coasts and to challenge my colleagues to adopt responsible energy policies.

~Lois Capps

The refusal to acknowledge the scientific value of embryonic stem cell research is one more tragic misstep.

~Lois Capps

With 3 percent of the worlds resources and 25 percent of the worlds demand, it is pretty obvious this country cannot drill its way to energy security.

~Lois Capps

Each year thousands of embryos, no bigger than the head of a pin, are created in the process of in vitro fertilization, with the support of Congress, by the way.

~Lois Capps

Research clearly shows us that the earlier women think about maintaining their bone mass and take the steps to do so, the better their health will be in the long run.

~Lois Capps

Let there be no mistake, Hamas is a ruthless terrorist organization.

~Lois Capps

I simply cannot see how denying chemotherapy treatment for Palestinian children increases Israel's security or advances U.S. national interests.

~Lois Capps

Unless Hamas recognizes Israel's right to exist and renounces terror, the Palestinian Authority should receive no direct U.S. assistance.

~Lois Capps

In addition, for almost a year now I have been urging the President, the Department of Justice, and the Federal Trade Commission to investigate suspicious gas price spikes.

~Lois Capps

That makes climate change a bigger public health problem than AIDS, than malaria, than pandemic flu.

~Lois Capps

Unfortunately, we are still in an age where individuals may be discriminated against because of health conditions.

~Lois Capps

And as a nurse, I know very well the importance, for example, of electronic medical records.

~Lois Capps

It is time for a New Direction for our nation's energy policies.

~Lois Capps

Pregnant women are more likely to die from homicide by domestic violence than any other cause of death.

~Lois Capps

In America today, the percentage of children and adolescents who are defined as overweight is more than double what it was in the early 1970s.
