Decisions We Make, Impact, Alcohol*

Nearly one in four women will experience domestic violence during her lifetime. And slightly more than half of female victims of domestic violence live in households with children under age 12.

~Lucille Roybal-Allard

With such compelling information, the question is why haven't we been able to do more to prevent the crisis of underage drinking? The answer is: the alcohol industry.

~Lucille Roybal-Allard

Head Start is designed to ensure that all children - regardless of their family's income, race, or ethnic background - are able to enter kindergarten ready to learn.

~Lucille Roybal-Allard

Even though some in our government may claim that civil liberties must be compromised in order to protect the public, we must be wary of what we are giving up in the name of fighting terrorism.

~Lucille Roybal-Allard

Newborn screening is a public health intervention that involves a simple blood test used to identify many life-threatening genetic illnesses before any symptoms begin.

~Lucille Roybal-Allard

Growing up in a violent home is a terrifying and traumatic experience that can affect every aspect of a child's life, growth, and development.

~Lucille Roybal-Allard

Radio interoperability is essential for our police, fire, and emergency medical service departments to communicate with each other in times of emergency.

~Lucille Roybal-Allard

I will also continue to fight to provide better economic security for victims of domestic violence.

~Lucille Roybal-Allard

To help break the cycle of domestic violence, we must allow survivors to take time off from work without fear of losing their job, to go to court, to see a doctor or to find a safe place to live.

~Lucille Roybal-Allard

We need to make people understand that there is a definite connection between what happens in their everyday lives and the decisions we make in Washington, D.C.

~Lucille Roybal-Allard

People show surprise that I have interests outside my political career. There is subtle surprise, for example, that I would be interested in a recipe.
