To make a beautiful piece means you have really witnessed it and really made decisions about it.

~Lucy Corin

Here is the alphabet of the pulsing apocalypse that is fatherhood, a book in love with what words, like parents, create: beauty, terror, awe.

~Lucy Corin

Follow Through is elegant, sure footed, smartâ€”a nest of sticks that won't stay sticksâ€”a nest of sticks that snowballsâ€”scary and marvelous.

~Lucy Corin

Ideologically, I have a lot of problems with that, especially when people toss around that form of story as realism. What's called "realism" is actually highly formulaic.

~Lucy Corin

You're seeing something that you've seen a thousand times and you just like it. There's nothing wrong with that but it's not a revelation. It's not a surprise. It's comfort.

~Lucy Corin

I don't want to write the thing that I am a consumer of when I'm unconscious. I want to write the thing that makes me contend with the thing that I've been consuming unconsciously.

~Lucy Corin

If you think it's worth writing a book about then that means you suspect that you're not the only one. You suspect that it has something to do with the larger patterns of your culture.
