Forward, Trade*

The neck is kind of what's sexy in Japan, so you have to have the kimono a little bit back. It was just a whole different way of appealing to what was sexy.

~Lucy Liu

Everything I buy is vintage and smells funny. Maybe that's why I don't have a boyfriend.

~Lucy Liu

I always admired Wonder Woman and the Incredible Hulk - but I don't know if I'd be a very convincing hulk.

~Lucy Liu

I think you just have to appreciate who you are and hopefully they can see what a superhero is about.

~Lucy Liu

I try to believe like I believed when I was five...when your heart tells you everything you need to know.

~Lucy Liu

You can't look back; you have to keep looking forward.

~Lucy Liu

When I was shooting a movie in Montreal, it was freezing. If you take a little bit of Aquaphor and dab it on your face, it keeps your skin looking fresh. I dubbed it Aqua For Everything.

~Lucy Liu

People use location as a language in films, and Quentin uses action as a language in his films. There's really not a lot of violence. It's more of an emotional beat than it is a physical beat

~Lucy Liu

When you have something that close to you, you want to make sure that you're aware of it.

~Lucy Liu

Pilates introduced me to muscles I never even knew I had. Soon I started to feel longer and leaner. Ten years of Pilates has really changed my body for the better.

~Lucy Liu

You have to look out for becoming trapped in a place where people want to see you all the time doing one thing.

~Lucy Liu

I love children. I work with UNICEF and one of the reasons I love that is because they deal specifically with children. For me I think it's just really important to always embrace that side of you.

~Lucy Liu

I've never really thought about competing with cartoons. If it ever gets to that point, then just shoot me.

~Lucy Liu

I grew up in Jackson Heights, Queens, with no money. I was taught not to take anything for granted. If you are too busy being a diva or a freak, then you are not enjoying it.

~Lucy Liu

I try to distinguish my characters from each other.

~Lucy Liu

Producing is like pushing jello up a hill on a hot day.

~Lucy Liu

Once you embody the language, the character comes really naturally,

especially when you put the costume on.

~Lucy Liu

Ten years of Pilates has really changed my body for the better.

~Lucy Liu

Men, when they fight in movies, it's a very different style. Harrison Ford was so cool when he had the whip, and Bruce Lee was such an artist that you couldn't take your eyes off of him.

~Lucy Liu

Women like to watch women fight because it makes them feel sort of empowered physically and mentally. They feel kind of jazzed and excited by it.

~Lucy Liu

When you work with chains or any kind of weapons, or just when you're using hand-to-hand combat, you are going to get hurt

~Lucy Liu

Silly Caucasian girl likes to play with Samurai swords.

~Lucy Liu

It's like kill or be killed, that's my thing basically.

~Lucy Liu

Nobody really tells me what's going on, and I find out via the trades myself.

~Lucy Liu

There's always sacrifices. My family don't generally say that they're related to me - my sister doesn't say she's my sister - because they don't want to be judged or lauded based on who I am.

~Lucy Liu

A lot of people die giving birth to their children who have AIDS and HIV and a lot of people don't survive after a time because they've been sick too.

~Lucy Liu

Martial arts are art forms and require a great deal of discipline and dedication. I so admire people who focus their lives on it, because it's not an easy thing to do.

~Lucy Liu

If you see the Sopranos, you're not going to be speaking in the Shakespearean English.

~Lucy Liu

You respect all of these people that you know in the business as actors. And they sort of turn around and say, we really like your work. It's a nice acknowledgment.

~Lucy Liu

I've definitely become much more aware of physical stunts.

~Lucy Liu

Japanimation is a whole different art form.

~Lucy Liu

Making a request without revealing the feeling/need takes all the joy out of other's service.

~Lucy Liu

The wonderful thing about film is that you have something that has a beginning, middle, and end, and you have a concrete amount of time to shoot it.

~Lucy Liu

The lack of predictability with television is something that's constantly changing what your perception of who you think your character is.

~Lucy Liu

I think diversity is very key to anybody's resume, and also for your mental well-being.

~Lucy Liu

It's great to do commercial movies; they are fun. You're doing stunts, you are running around, there is a lot of money involved in the production; there are incredible sets and designs.

~Lucy Liu

It's so much fun playing Ling, but I have this fear that people are going to run away from me in terror on the streets. They think I'm going to bite their heads off or something.

~Lucy Liu
