

Lyndon LaRouche

Quotes

*President, Office, People, Economy, Term, United States, Europe, Wall, Taken,
Summer, Movement, Government, Preservation, War, Successful,
Requirements, Disaster, Animal, Waiting, Liars*

Nest of Soviet fellow travelers clacking busybodies in a Soviet jellyfish front, sitting here in Leesburg oozing out their funny little propaganda and making nuisances of themselves.

~Lyndon LaRouche

I resolved that no revolutionary movement was going to be brought into being in the USA unless I brought it into being.

~Lyndon LaRouche

Wall Street is the only factor in the U.S. economy, which really keeps Obama still in office. He couldn't have made it, otherwise.

~Lyndon LaRouche

I dont want to be President I dont

~Lyndon LaRouche

Thermonuclear fusion is an absolute requirement, for the preservation of the human species.

~Lyndon LaRouche

I'm an economist, I do a lot of forecasting, and I'm probably one of the most successful forecasters in terms of very specific kinds of forecasts.

~Lyndon LaRouche

The European economy is collapsing! The trans-Atlantic region is a disaster area in terms of economy.

~Lyndon LaRouche
