After you have a kid you're just so happy to be alive!

~Madeleine Stowe

In the 90's action pictures were all the rage. As a woman, I was fed up with them and I initially thought that the script was just another action film dressed up as a period piece.

~Madeleine Stowe

Yes, the marriage proposal was shot. Michael excluded the dialogue from the final edit.

~Madeleine Stowe

Daniel was a wonderful and trustworthy partner. And a fine prankster as well.

~Madeleine Stowe

I love the life of an actor because you spend brief amounts of time with other people and then you just leave. I need to be alone a lot, and I need the outdoors.
