We rarely grow when we're happy, we grow when we hurt.

~Maggie Q

As women, I think it helps that we are complex creatures by nature so just being a woman helps to understand a woman's journey.

~Maggie Q

My manager's biggest dream is for me to be on Letterman. She says, 'Oh, Maggie, will you promise me you'll be on Letterman?' • What can I say? I just tell her I can't promise, but I'll try my best.

~Maggie Q

I don't do anything but sleep, when I'm not working. I have no life. I'm no fun. All I want to do is sleep and get ready for the next day. It's awesome.

~Maggie Q

I love shooting guns. Not at people or animals, but I love shooting blanks!

~Maggie Q

What could be more unjust than hurting an animal or a child? When you've been gifted dominion over something, that responsibility is real.

~Maggie Q

I don't know how people box for a living. I don't know how they can just hurt people for a living and be OK with it.

~Maggie Q

There was a time where I thought I could only date vegans. I was wrong because I was missing the fact that somebody should be right for me first, instead of just having similar values.

~Maggie Q

Here's my goal: I want to make a seriously dark show, and not on a network that has ever done that.

~Maggie Q

The 1970s 'Wonder Woman' was sort of a kitsch thing. It was a very specific time for that, and it's hard to modernize something like that.

~Maggie Q

Our choices are going to determine the future for our children, our children's children, and their children. I take that responsibility very seriously.

~Maggie Q

People always ask how there are female priests, but in this world there are.

~Maggie Q

There is nothing cooler than having lines like, 'Batman, the fate of the world is upon us.' Who gets to say that? And who gets to say that in a deep, earnest, amazingly sexy way?

~Maggie Q

The student will try to defy the master. Always.

~Maggie Q

You should see me during an action film. I look like an abuse victim.

~Maggie Q

When I started in film, I was living and working in Asia, and when we did films there, it was so fast. It was much like TV.

~Maggie Q

I'm not a wushu champion. I was an athlete when I was a kid. I was a swimmer and a runner, but all this action stuff is such a challenge. It

really, really is.

~Maggie Q

I weirdly feel very natural, in the physicality that comes my way, whether it's guns, cars or whatever. For some reason, it's second nature to me.

~Maggie Q

I'm bringing what I've always wanted: film quality work on television. That's the way it should be.

~Maggie Q

When people go through tragic circumstances, it's not that there is no love there, but it's so hard to deal with and sometimes the gap starts to happen.

~Maggie Q

Facebook? I have no clue about it. MySpace, none of that. I'm the worst.

~Maggie Q

I like to wear less make-up and be tougher. The primp stuff is exciting for people, but it's less exciting for me. It's definitely fun, but I like low maintenance.

~Maggie Q

Not only do I not want to be stereotyped as this Asian girl who fights - gee, what a wonder - but also I have more to offer than that.

~Maggie Q

I like PETA as a group for many reasons, but one of the reasons that I admire them is that they say and do the things that other groups won't do.

~Maggie Q

I enjoy privacy. I think it's nice to have a little mystery. I think because of technology a lot of the mystery is gone in life, and I'd like to preserve some of that.

~Maggie Q

I'm not a vampire movie fan, per se. That's not to say that I haven't enjoyed movies with vampires in them.

~Maggie Q

I've gotten used to the point where I'm so used to being sweaty! I like to wear less makeup and be tougher!

~Maggie Q

My goal when I make my show is to make a show for women. I don't make a show for men.

~Maggie Q

We've all, at some point in our lives, been in a position where we have felt powerless.

~Maggie Q

Sometimes you're famous before you're good.

~Maggie Q

I love film, very, very much, and I always want to go back to it.

~Maggie Q

Obviously, you have to be lucky enough for people to want you to be in films, but that is the plan, definitely.

~Maggie Q

I like the physical challenge. It's fun for me.

~Maggie Q

I know young people are all going to have different passions, but I would say that if you happen to have a heart for animals, never forget that without your voice, there is no channel for them.

~Maggie Q

When I was young, I remember having a particular pain about injustice. Suffering hurt me.

~Maggie Q

I'd left Hawaii twice in my life, so I'd been on an island my whole life. I had no clue. I didn't know how to live in a city.
