Most extreme acts of anti-Semitism go beyond the acts of anti-Semitism by native Europeans.

~Manfred Gerstenfeld

Journalists are divided into two groups: those who live by ethics, and those who don't.

~Manfred Gerstenfeld

It hinges on oil. Europeans feel they handled the boycott after the Yom Kippur War [1973] very badly. The Arabs need to sell oil; otherwise they cannot live.

~Manfred Gerstenfeld

Media turned against Israel was a gradual process. And it has gotten worse over the years. I think the main development was the 1982 Lebanon War.

~Manfred Gerstenfeld

Eastern churches simply often try to please Muslims. Why doesn't the New York Times report this?

~Manfred Gerstenfeld

Arabs and their allies are conducting a total war against Israel. A total war means a war of lies. The PA [Palestinian Authority] promotes lies; lying in Islam is permitted.

~Manfred Gerstenfeld

Shia phobia or Sunni phobia...we never hear about this. They murder each other!

~Manfred Gerstenfeld

The issue is, the Arabs have many allies. Among the worst reactionaries in the world. No religion out of which so much murder comes as there is in certain parts of Islam.

~Manfred Gerstenfeld

The NGOs in Israel should devote more time to monitoring religious anti-Israel groups, chief among them the so-called "Christian Palestinianists."
