If you do what you love, you'll never work a day in your life.

~Marc Anthony

I'm a huge sports fan.

~Marc Anthony

Be quiet, or my wife will take away your first born and make him or her work in one of her sweatshops!

~Marc Anthony

I come from a pop background, but I'm also a Puerto Rican and I do feel this music. My approach to salsa is a humble one, and I defy anybody to prove that I'm faking it.

~Marc Anthony

Fame is addictive. Money is addictive. Attention is addictive. But golf is second to none.

~Marc Anthony

What you see is what you get. My God, I don't have the time nor the energy to live up to some persona.

~Marc Anthony

I say it every day - I'm the luckiest man on earth

~Marc Anthony

My mum always told me 95 per cent of success was partnering well.

~Marc Anthony

My family, my fans and yes, romance is always there in one way or another. Life is full of these emotions and I have always found pleasure in incorporating them into my music.

~Marc Anthony

I think in general I've never dared compose in Spanish. First of all, it is such an intricate language.

~Marc Anthony

I'm not a salsa singer who wants to sing in English, and I'm not this American kid who wants to sing Spanish.

~Marc Anthony

I just want to sing, I want to work on my music, I want to make my movies, that's all I want to do.

~Marc Anthony

I have always said that your work stays with you for a long time, and I try to get involved in projects where I truly believe if I had to do them again, I would the same way.

~Marc Anthony

Being Puerto Rican, born and raised on the streets of New York, you go, 'Wow, you're still friends with your ex, man? Really? That's weird.' I don't play that.

~Marc Anthony

What Jennifer Lopez puts out, it's not Latin music.

~Marc Anthony

I'm not a traditional sonero, at least not in the way they want me to be, I'm an interpreter, and I reach people in a different level.

~Marc Anthony

Celebrity watching and speculation is almost like a sport.
