Yeah, my dream would be to work for 6 months and then have 6 months to play, just snowboarding, surfing, and going to cool places to listen and be alone and kinda chill out.

~Marc Newson

If you can just be yourself, then you have to be original because there's no one like you.

~Marc Newson

I made some salt and pepper shakers a while back and waited three years for them to come.

~Marc Newson

I'm always working. Like a lot of creative people I can't switch off. I can't disassociate work from pleasure. My job is my hobby.

~Marc Newson

My job as a designer is to look into the future. Not to use any frame of reference that exists

~Marc Newson

I don't have any furniture of mine in my room.

~Marc Newson

I'm fascinated with materials, with processes, with technologies.

~Marc Newson

To create well I have to be in a good mood, happy and cool.

~Marc Newson

If I can feel freedom then I can create.

~Marc Newson

I think it's really important to design things with a kind of personality.

~Marc Newson

With the Solaris, however, I wanted to design a very simple, elegant dress watch

~Marc Newson

You know some people say that you make watches or perfume bottles, it's all different things.

~Marc Newson

I'd love to be approached to do ordinary things more.

~Marc Newson

You know that's history, that's why some people say that my stuff is retro, but I don't agree.

~Marc Newson

If somebody asked me about my inspiration I would say that it's not the people and it's not the things, it's travel and experiencing different environments.

~Marc Newson

But to me, to be original is to be yourself.

~Marc Newson

People kind of tend to mystify design and architecture by suggesting you need to train.

~Marc Newson

If you see something that you feel is familiar it gives you an important kind of emotional connection.

~Marc Newson

Design schools are good, I guess, sometimes I visit schools, but they

are very very limiting.

~Marc Newson

Then I started to do furniture and interiors for a friend and just to get stuff in a magazine, and then slowly started to build up and started to doing exhibitions.

~Marc Newson

You know like it has its own personality, its own character.

~Marc Newson

My life style in a sense is kind of private.

~Marc Newson

In Japan, Australia, and England there is such a strong youth culture.

~Marc Newson

And where I grew up in Australia, surfing was a part of culture.

~Marc Newson

I was much more interested in making things than in designing them.

~Marc Newson

So if I design it and then go away, it's still living somewhere and it still exists by itself without me.

~Marc Newson

I have a lot of objects in my space, little things, reminders, memories.

~Marc Newson

I never buy magazines, I never even buy books.

~Marc Newson

I've always listened to a lot of film music, actually.

~Marc Newson

Doing anything in Japan as a sort of architecture - related project is just fantastic because they do everything so perfectly and so quickly. It's unlike anywhere else in the world.

~Marc Newson

The design industry is really pathetic.

~Marc Newson

I was sort of open to do anything, I was free.

~Marc Newson

I pre-dated the trend for large watches by about a decade

~Marc Newson

I don't like to make my life like a book.

~Marc Newson

I'm interested in youth culture and popular culture.

~Marc Newson
