Audiences can tell when you're being fake and they will eat you alive. But if you're doing something authentic they will connect to it and that can lead to commercial success.

~Marc Webb

Sundance is a really special place. They're very protective of movies, especially lower-budget movies.

When you have to react to a lizard that's a tennis ball, it's a really, really difficult, tricky piece of craft.

~Marc Webb

Something you can do in a comic that you can't do in a film is that you can have thought bubbles.

~Marc Webb

There's a bigger universe at hand.

~Marc Webb

Earnestness can ferment into sentimentality.

~Marc Webb

I was a Marvel guy. I started reading comics when I was a kid.

I always remembered that when I saw people get married they got on a rocketship and went to Planet Happiness, Population: Them.

~Marc Webb

One of my life philosophies is that you have a choice to make when you're doing something creative. You can be cheesy... or you can be lame.

~Marc Webb

It's really hard to find just a simple character-driven drama, outside of a genre, that was available to direct, except for on TV.

~Marc Webb

I think that the dramas that you find in TV are actually a lot more interesting, typically, than what you find in cinema.
