

Margaret Spellings Quotes

*Education, Thinking, Kids, Children, Understanding, Parent, Capability, Proud,
Trust, Different, Ifs, Sophisticated, Goal, Respect, Assessment, School, Years,
Workplace, Achievement, Program*

I mean, one thing I know about change is we are not going to close the achievement gap without educators.

~Margaret Spellings

I do think we know that a teacher who knows what he or she is doing, knows their subject matter, and knows how to impart knowledge to kids is a critical piece of closing the achievement gap.

~Margaret Spellings

Higher education is confronting challenges, like the economy is, about the need for a higher number of more adequately trained, more highly educated citizenry.

~Margaret Spellings

Don't let anyone else take the measure of your worth and capabilities. Always stand proud in who you are!

~Margaret Spellings

In Connecticut, my understanding, although I haven't seen the actual litigation, is that they want to measure every other year and not provide annual assessment as is required in the statute.

~Margaret Spellings

And I think that we in America need to understand that many schools need improvement, and particularly with respect to how they're serving minority children.

~Margaret Spellings

I think it'd be useful for parents to know kind of what is the culture of an institution.

~Margaret Spellings

My understanding is that Kansas, Massachusetts, they've been more pioneers on the special education side.

~Margaret Spellings

We at the Department of Education are going to provide technical assistance; I've committed \$14 million to show states how they might meet this more sophisticated approach.

~Margaret Spellings

It's a hard process to navigate... to figure out where your kid ought to go to college.

~Margaret Spellings

If all you ever do is all you've ever done, then all you'll ever get is all you've ever got.

~Margaret Spellings

I think all kinds of parents are different in what they're seeking.

~Margaret Spellings

But the other notion is, we also believe that those folks closest on the ground that we're holding accountable for the results can decide, and ought to evaluate which programs get results.

~Margaret Spellings

What we know is the workplace is more demanding than ever before.

~Margaret Spellings
