Jump or stay in the boat.

~Margaret Stohl

Sports section and a sticky bun. Know what that means.

~Margaret Stohl

I haven't left a mark on the world, but is that so bad? Considering how deeply the world has marked me?

~Margaret Stohl

These things are difficulties, not impossibilities. -- Macon

~Margaret Stohl

When I first met you, that's what I remember. I looked up at the sky and thought, I'm going to love this person because even the sky looks different.

~Margaret Stohl

I am powerful because of who and what I am. Not because of who I am not.

~Margaret Stohl

She yanked my plate away and took it to the sink. She rinsed some bones that looked like pork shoulder, which was weird since we'd had chicken tonight.

~Margaret Stohl

There are more reasons for people's actions than the number of actions that are actually set in motion.

~Margaret Stohl

Feelings are memories. Memories are also feelings.

~Margaret Stohl

The things that are the most valuable are often the ones you don't even know exist. -- Xavier, The Gatekeeper

~Margaret Stohl

He saved the world, but he shattered mine.

~Margaret Stohl

I guess this was what it felt like to love someone and feel like you had lost them. Even when you were still holding them in your arms.

~Margaret Stohl

Old paper, which my mom used to say was the smell of time itself.

~Margaret Stohl

All that destiny garbage. Nobody can decide what happens to you. Nobody but you.

~Margaret Stohl

In the end, the Wheel crushes us all.

~Margaret Stohl

It's not easy to be Light when you've been Dark. It's almost too much to ask anyone. -Macon Ravenwood

~Margaret Stohl

Darkness does not leave us easily as we would hope.

~Margaret Stohl

For me a book has always been a chance to reach out and connect to someone and not be alone.

~Margaret Stohl
