

Margaret Weis Quotes

*Fire, Eye, Magic, Thinking, Stars, Trying, Men, Reality, Lying, World, Blood,
Heart, Dragons, Character, Water, Dream, Doe, Someday, Mistake, Past*

and someday, fat innkeepers will bow to me.

~Margaret Weis

I have sinned enough against the world. Teaching magic to a kender would ensure my damnation. â€”Raistlin Majere

~Margaret Weis

Hope is the denial of reality.

~Margaret Weis

Why you decrepit old mage! You couldn't turn water into ice in the dead of winter!

~Margaret Weis

A mage's soul is forged in the crucible of the magic

~Margaret Weis

My dragon? save anybody? you must have have him confused with someone else- Smaug perhaps?.

~Margaret Weis

Only a man who cannot conquer his deficiencies feels the need to convince the world that he has none.

~Margaret Weis

His love for her was a gift he gave her daily, expecting nothing in return. He walked at her side, his love for her a torch to guide her footsteps along the dark path she walked.

~Margaret Weis

If I am to be judged by those who come after me, let me be judged for the truth.

~Margaret Weis

The heart communes best when it does not try to speak.

~Margaret Weis

In a world of unlimited possibilities, there is always the possibility that there are no possibilities.

~Margaret Weis

over protective? a butler in a grade- B movie? someones jewish mother? you got it

~Margaret Weis

get back, get back! ill turn you into a piglet! ast a bula- no wait. that turns ME into a piglet!!

~Margaret Weis

Great gandalfs ghost! if he had a ghost. i doubt it. he was such a snob.

~Margaret Weis

you wouldn't happen to have a pipe and a bit of tobacco about, would- i heard that! gandalf enjoyed a good pipe! why do you think he's called gandalf the gray? it wasn't for the color of his robes

~Margaret Weis

Be the hero of your own life. Don't let somebody else play that role.

(Vasu)

~Margaret Weis

A man with nothing to die for has even less for which to live.

~Margaret Weis

I like working closely with artists. I think that's very important in fantasy and science fiction - the visual aspect of the worlds and the characters.

~Margaret Weis

In Endless Quest books, you start the plot, and the character has to make choices. Then you have to write one choice over here, one choice over there. The author might get one or two choices out.

~Margaret Weis

The blade must past threw the fire, else it breaks.

~Margaret Weis

Interesting." Raistlin coughed the word. Tanis glanced at him sharply. "What is interesting?" "I've never heard you lie before, Half-Elf," Raistlin said softly. " I find it...quite...fascinating.

~Margaret Weis

I wanted to tell her that sometimes, in my long sleep, I dreamt of her

~Margaret Weis
