Even when we're blindfolded, even when you're wearing sunglasses, even in the pitch black of night, we can always tell if you just ogled another woman.

~Maria Bartiromo

I think the value of venues like CNBC is that they give investors an opportunity to reevaluate the situation minute by minute, but maybe we don't need to follow the market so closely.

~Maria Bartiromo

The Girl Scouts is an organization that constantly gives you new goals to achieve and that's what life is all about.

~Maria Bartiromo

A lot of people love Oreos. So their manufacturer is making money. That means more dividends for shareholders.

~Maria Bartiromo

The amount of data and analysis available for free is a true example of information explosion has leveled the playing field for individual investors.

~Maria Bartiromo

Some studies show that women can be better money managers than men because they tend to be more conservative and do their homework. Men tend to take more risks without the research.

~Maria Bartiromo

Too many people say to their brokers, I can't deal with this. Take my money. Do what you want. That's the worst attitude you can have.

~Maria Bartiromo

Oil is a very important component of economic growth.

~Maria Bartiromo

As a reporter, I approach every situation knowing that everyone has his or her own agenda. It's not a bad thing; it's just a fact.

~Maria Bartiromo

I think that my biggest attribute to any success that I have had is hard work. There really is no substitute for working hard.

~Maria Bartiromo

While it's wonderful that investors have access to all the data now available to them, it has become a full-time job to sift through it and separate out the valuable news from the useless noise.

~Maria Bartiromo

First reporter to broadcast live from the floor of the New York Stock Exchange.

~Maria Bartiromo

Most women outlive their spouses. Divorce remains at record rates. It's important for a woman to be able to control her finances.

~Maria Bartiromo

I'm not a money manager, but I can tell you what the conventional wisdom is. The younger you are, the more risk you can take on.

~Maria Bartiromo

The traditional thinking has been that the stock market likes certainty.

~Maria Bartiromo

When you see me on the air, I always have jackets on. I like to think I have a flair and a style but I'm always in a business look.

~Maria Bartiromo

What is happening now is that producers are trying to figure out new ways to distribute that content.

~Maria Bartiromo

[Donald Trump] basically has said, 'No it's more of a threat than an actual reality.' I do not think we're going to see tariffs put in place, but that would be the worry.

~Maria Bartiromo

Longer-term, I think the markets would rally under a [Donald] Trump plan and sell-off on a [Hillary] Clinton policy.

~Maria Bartiromo

[Donald Trump] is been very consistent on trade.

~Maria Bartiromo

Business news is sexy.

~Maria Bartiromo

My stylist chose the white gloves and I think she did a spectacular job....I couldn't believe the stir my gloves were making at the dinner.

~Maria Bartiromo

I think the global markets will probably be selling off with a [Donald] Trump presidency because he has promised to re-do trade deals.

~Maria Bartiromo

[Hillary] Clinton wants to raise taxes, raise wages and she wants to do things like put caps on drug prices.

~Maria Bartiromo

The average trade of an individual is in the thousands of shares, whereas the institutional trade can be in the millions of shares. Clearly, the bigger the order, the bigger the move in the stock.

~Maria Bartiromo

I've always just worked and tried to do as good a job as possible so that the people who are watching me took notice. That's what's helped me be successful today.

~Maria Bartiromo

Hillary Clinton has not done an interview with me during the campaign season. I spoke to her years ago but not this season...so I don't want to misspeak.

~Maria Bartiromo

As a result of Obamacare, we are becoming something of a part-time employment country.
