I will be a commodity, and I will be in demand and valuable.

~Marie Calloway

I started to wonder, and felt relieved that there might be truth to the idea of intellectuals all being frauds. I knew that I certainly was.

The pictures feel as essential to me as the text. I was always interested in including pictures with writing.

~Marie Calloway

I'm interested in the female dom/male sub dynamic, and how superficially it can seem like a total reverse of gender roles and maybe even subversive or something.

~Marie Calloway

I think in general in my teens I had a lot of crushes on men on the Internet, most notably Momus since I was in my late teens. John Darnielle was also another big crush.
