Germany, Thinking, Law, Blame, War, Determination, Mean, Strong, Doe,  
Unions, Class*

Immigration is an organized replacement of our population. This threatens our very survival. We don't have the means to integrate those who are already here. The result is endless cultural conflict.

~Marine Le Pen

The sovereign people have declared they want to take back the reins of their Destiny.

~Marine Le Pen

Globalization means using slaves to manufacture products that are then sold to the unemployed!

~Marine Le Pen

The crisis in Ukraine is all the European Union's fault. Its leaders negotiated a trade deal with Ukraine, which essentially blackmailed the country to choose between Europe and Russia.

~Marine Le Pen

I don't believe Vladimir Putin is a killer, a threat to France, to others in this region. Nothing Vladimir Putin has done would make me reach that conclusion.

~Marine Le Pen

We don't have a lot of Sikhs in France. We've got some. But we don't really hear much from them or about them. Which is good news.

~Marine Le Pen

France isn't burkinis on the beach. France is Brigitte Bardot. That's France.

~Marine Le Pen

Congratulations to Donald Trump, the new president of the United States - and to the people of America, who are free.

~Marine Le Pen

We are a great nation, which has a lot to offer to the world, but to offer something to the world France has to remain France.

~Marine Le Pen

Vive les peuples, Vive la République! Vive la France!

~Marine Le Pen

It is my responsibility to make sure that the fear is overcome. This attack must instead free our speech about Islamic fundamentalism. We must not be silenced.

~Marine Le Pen

Everyone has the right to practice their religion, to worship as they choose. My war is against Islamic fundamentalism.

~Marine Le Pen

I want to destroy the EU, not Europe! I believe in a Europe of nation-states. I believe in Airbus and Ariane, in a Europe based on cooperation. But I don't want this European Soviet Union.

~Marine Le Pen

Massive immigration brings with it cultures that are sometimes in contradiction with our values.

~Marine Le Pen

Wild globalization has benefited some, but it's been a catastrophe for most.

~Marine Le Pen

I'll tell you what the danger is for Europe. It's carrying out a cold war against Russia and pushing Russia into China's arms. That's the threat to Europe.

~Marine Le Pen

Xenophobia is the hatred of foreigners. I don't hate anyone.

~Marine Le Pen

Whenever I hear people utter anti-German sentiments, I say: You can't blame Germany for defending its own interests.

~Marine Le Pen

Trade has always existed, but we used to defend our strategic interests. Could you imagine the United States allowing French engineering giant Alstom to purchase General Electric? I don't think so.

~Marine Le Pen

The Americans are trying to expand their influence in the world, particularly in Europe. They are defending their own interests, not ours.

~Marine Le Pen

If I didn't believe that we had a chance of coming to power, then I would have focused on taking care of my three children or gardening.

~Marine Le Pen

Germany has become the economic heart of Europe because our leaders are weak.

~Marine Le Pen

I'm not talking about autarky. I'm not crazy. We need an intelligent protectionism.

~Marine Le Pen

We have millions of unemployed and cannot afford any more immigration. Where are they supposed to live? It is not viable.

~Marine Le Pen

Euro was created by Germany, for Germany.

~Marine Le Pen

I have respect for leaders who defend the interests of their countries. Angela Merkel policies are positive for Germany, but they are unfortunately harmful for all other countries.

~Marine Le Pen

When you take out a loan, what's your obligation other than paying it back? You have no other obligation.

~Marine Le Pen

Angela Merkel can't travel to any European country without being protected by hundreds of police. That is not brotherhood.

~Marine Le Pen

I know very well that the political classes have spread fear among the electorate: Without the euro, the sun will cease shining, the rivers will stop flowing, we will enter an ice age.

~Marine Le Pen

My warning is: Be careful Angela Merkel. If you don't see the suffering that has been imposed on the rest of the European people, then Germany will make itself hated.

~Marine Le Pen

Angela Merkel wants to impose her policies on others. This will lead to an explosion of the European Union.

~Marine Le Pen

We are simply allowing our right to self-determination to be stolen from us.

~Marine Le Pen

We have no lesson to teach Russia if we concurrently roll out the red carpet to Qatar, Saudi Arabia and China.

~Marine Le Pen

I want to destroy the EU, not Europe! I believe in a Europe of nation-states.

~Marine Le Pen

I place the blame with our own leaders who are not defending our interests. A strong euro is ruining our economy.

~Marine Le Pen

Everybody should be able to choose according to his own values and history, within a European civilization that we all belong to.

~Marine Le Pen

I can't blame Angela Merkel for saying she wants a strong euro.

~Marine Le Pen

I don't believe that Russia's a threat for Europe. I think that's a big scam.

~Marine Le Pen

The French debt will remain massive. Savings should be made with cuts to the generous social system, which grants illegal immigrants the same protections as it does our citizens.

~Marine Le Pen

I'm not a fan in a rock concert, you see. I am a political leader in a great nation of the world. What interests me are France's interests.

~Marine Le Pen
