We have dinner every single night, Monday through Friday, with our children. We sit down around 6 or 6:30 and it's a family dinner - it's time to check in, just to be around each other.

~Mark Consuelos

I like things to have rules, I like order and I like schedules.

~Mark Consuelos

There's a lot of great things to see here in the United States. Those times spent together with maps and old cups from the diner you went to, those are really important as a family.

~Mark Consuelos

As a father, you immediately become uncool, especially the older they get. The older you get, it's inevitable that, as cool as you think you are, you're probably just as lame in your kids' eyes.

~Mark Consuelos

It's really interesting, for an actor, that you can continue to do season after season and not play the same role.

~Mark Consuelos

It's always a good collaboration between the actor and the writer and the director to try stuff out, during the process.

~Mark Consuelos

My wife is so funny and talented and never lets anybody fail next to her.

~Mark Consuelos

For a couple of years, I focused more on producing because I wanted to be close to home, after traveling a lot for work.

~Mark Consuelos

As an actor, you always want to try new things, so the fact that they set it up so that you can be doing different things each season is great.

~Mark Consuelos

I am very traditional, and I am the disciplinarian.

~Mark Consuelos

There are certain projects that you love to be involved in, no matter what the capacity, and there are certain projects that I probably wouldn't even consider getting behind.

~Mark Consuelos

People always ask me, 'Why did your wife take that extra job?' What they don't know is that four out of five days a week she's going to be home having dinner with us by five o'clock.

~Mark Consuelos

Any time you get a chance to do something different or get away from your appearance or get away from what people are used to seeing, I think it's always good.

~Mark Consuelos

I hope gay marriage will be legal in every state.

~Mark Consuelos

I'm doing 'I Hate My Teenage Daughter' with Katie Finneran and Jaime Pressly.
