Social Security is one of the greatest achievements of the American government, protecting our elderly against poverty and assuring young people of a more secure future.

~Mark Foley

Pointing fingers, trying to catch each other in scandal does not bring honor to this House.

~Mark Foley

A Congressional Budget Office study estimated that gulf energy infrastructure repair costs will be between \$18 billion and \$31 billion, just from the damages the hurricane created.

~Mark Foley

If Turkey is prepared to acknowledge the Armenian Genocide, then its leaders can proceed immediately to direct dialogue with its counterparts in Armenia to define a common vision for the future.

~Mark Foley

I think one of the unique aspects of Catholic school education is the opportunity to care for the material and intellectual needs of the child in a community atmosphere.

~Mark Foley

For example, in my district there are visitors from all over the world who are drawn to our beautiful beaches, recreational lakes, habitat wildlife preserves and golf courses.

~Mark Foley

The travel and tourism industry is the lifeblood of many states around the country - including Florida, California, New York and Nevada, to name a few.

~Mark Foley

Parochial schools in the United States are also responsible for educating students from a wide range of ethnic backgrounds, including many who are non-Catholic.

~Mark Foley

In search of a complete education with the ideals of trust, faith, understanding and compassion, many families are turning to the structure, discipline and academic standards of Catholic schools.

~Mark Foley

It's an absolute abomination. Whether intentional corruption or mismanagement, it seems like FEMA is just a money pit.

~Mark Foley

Domestic travel and tourism-related spending has reached \$1 trillion a year.

~Mark Foley

I have said repeatedly that in this country we track library books better than we do sex offenders.

~Mark Foley

Finally, people are starting to recognize freedom and peace do have a cause, they do have a price.

~Mark Foley

We're taught as young kids Acknowledge your mistakes, admit your lies, ... It's cathartic. That's what I think the speech did. He didn't just try to blame someone else.

~Mark Foley
