Your character is slowly built and quickly eroded. You're definitely influenced whatever you are immersed in and whatever you're around and what you're a part of.

~Mark Martin

Your faith shapes the kind of person that you are.

~Mark Martin

I'm not always successful. But I try to treat the people the way I want to be treated. I really try to keep that in mind, but it doesn't always work.

~Mark Martin

I try not to have expectations because they can tend to tear you apart. I expect to work as hard as I can possibly work and I expect to give every ounce of a hundred percent.

~Mark Martin

I'm far from perfect but I have managed to earn a good deal of respect by trying to implement the kinds of things you learn about.

~Mark Martin

My fans freak out and think I'm never going to race again. And I don't want them to do that because I want them to be there to pull for me in the truck series next year.

~Mark Martin

Really, we don't relate our Atlanta setup to here. I feel like the shock [absorber] package will be different and the springs will certainly be different than Atlanta.

~Mark Martin

I'm not comfortable telling my kids how they should be or how they should think or how they should act or anything else.

~Mark Martin

We are going to look at the results at the end of the semester to determine the future of the program. I am really eager to see what the scores look like on the end of the semester report cards.

~Mark Martin

I guess I'd rather be lucky than good.

~Mark Martin

Kids pick up and absorb a lot more than you think they do. I try to do what I think is right, and I try to lead by example.

~Mark Martin

I think what you study and what you believe in has an influence in the way you live.

~Mark Martin

Kill one and you might as well kill 21.

~Mark Martin

Hopefully, the drivers will be able to race without running over one another. Anything with a heritage like this racetrack, I would not have messed with it. I would have saved my money.

~Mark Martin

Life is short and I have some things I'd still like to do.

~Mark Martin

I learned a lot. I knew I had a lot to learn because it's been so long, but that sure did show up there today.
