The scientific theory I like best is that the rings of Saturn are composed entirely of lost airline luggage.

~Mark Russell

The way money goes so fast these days, they should paint racing stripes on it.

~Mark Russell

Believe me when I say that Bill Clinton's second term will be good for business. My business.

~Mark Russell

You've got the brain-washed, that's the Democrats, and the brain-dead, that's the Republicans!

~Mark Russell

People are not in a good mood when any politician's face appears on television.

~Mark Russell

I squirm when I see athletes praying before a game. Don't they realize that if God took sports seriously he never would have created George Steinbrenner.

~Mark Russell

A Consultant is a guy who knows 125 different ways to make love, but who doesn't know any women.

~Mark Russell

Young people, take heart: the older you get, the fewer commandments you will have the strength to break.

~Mark Russell

If you call your opponent a politician, it's grounds for libel.

~Mark Russell

If the audience doesn't like it, usually they're just silent. But they've never all walked out at once.

~Mark Russell

The sacred exists only at the expense of the truth.

~Mark Russell

Being an Olympian is the ultimate test of one's sporting ability.

~Mark Russell

The Republicans have a new healthcare proposal: Just say NO to illness!

~Mark Russell

I'm not trying to write a bleak and blistering screed against American civilization. I'm writing something that I hope is fun and satirical and full of possibility.

~Mark Russell

You know when Jerry Ford gets the best joke, you know you're in trouble.

~Mark Russell

I can't think of a performer who is better on television than in person.

~Mark Russell

I do jokes about what's funny, and both sides are funny.
