

Mark Webber

Quotes

*People, Two, Racing, Thinking, Effort, Running, Hate, Years, Actors, Whatever
Happens, Wings, Interesting, Opportunity, Kind, Ice Cream, Looks, Parent,
Filmmaking, Real, Dad*

I am healthy, my family is healthy. That is the important thing. After that we go racing.

~Mark Webber

I hate wearing trousers and shoes. I wear jeans and sneakers most of the time.

~Mark Webber

Formula one is very one-dimensional in terms of what we do in the cockpit.

~Mark Webber

Only one guy can be world champion, and so if everyone else thought they were failures you'd have no one left on the grid.

~Mark Webber

Sitting beside the pool is fine for two weeks, but after that I think it'd be quite hard to live with - so I need to keep racing.

~Mark Webber

Life is a cycle of ends and starts.

~Mark Webber

For me writing and filmmaking is a therapeutic process. It reflects themes that I'm going through at a time in my life.

~Mark Webber

I don't really know what I'm ever looking for, it's kind of like whatever happens to resonate at the time with me.

~Mark Webber

Be in the moment as an actor and as a human being, and you're going to be happy.

~Mark Webber

Red Bull are backing a spinal-injury research charity called Wings For Life, which I am an ambassador for, with a programme called Faces for Charity that will run at this year's British Grand Prix.

~Mark Webber

I think, as most people are, I'm fascinated with love, relationships, and my daily life so I'm very inclined to make films about those things.

~Mark Webber

My mother and I took over abandoned buildings to sleep in.

~Mark Webber

The system is in place whereby if an umpire cries off, or both as was the case here, those umpires are to be replaced.

~Mark Webber

When I'm driving I should make more of an effort with my iPod, but I'm too lazy to organise a playlist.

~Mark Webber

I love directing and that's where I'm headed. That's where my head is at.

~Mark Webber

99.9% of being a good parent is just being present with your child. On the flipside of that, 100% of being happy is just being present.

~Mark Webber

The first film I directed (Explicit Ills), I did when I was like 27 years old. I had been an actor for a certain amount of time, and then I was like, "I want to start directing."

~Mark Webber

When people in a country are being hurt, the issues are bigger than

sport. Let's hope the right decision is made

~Mark Webber

I love putting things together. I love putting together a team and making stuff with people. It's great, that's what's cool about movies it's such a collaborative effort.

~Mark Webber

A lot of filmmaking is all about filtering out the bullshit.

~Mark Webber
