You like some things, you don't like others. It doesn't mean there's anything wrong with the others, it just means you have an opinion.

~Marnie Stern

Nobody ever cares what I say! I feel badly about it, I don't want to hurt anyone's feelings.

~Marnie Stern

I feel like people who are guarded and shut off, I feel like they should have to wear a button that says, "shut down", "guarded" or something.

~Marnie Stern

The point of life for me is just to make connections with people and share experiences with people.

~Marnie Stern

It seems to me, that's the only thing that ends up being really fulfilling or satisfying - your career.

~Marnie Stern

I'm sure that it's not good not to be around people.

~Marnie Stern

I never go out, ever. And I think that's why I've been craving human connection so badly, and in a way, I'm excited to go on tour to be around people all the time.

~Marnie Stern

I feel like people are actually just built differently, have different chemicals going on in their goddamn brain.

~Marnie Stern

Some people seem so different, some people feel so much more than other people, some people are able to push past things so much easier.

And...it's just fascinating to me.

~Marnie Stern

When you've got insane drums and a lot of guitar, it's really hard to mix the vocals, to mix it all well.

~Marnie Stern

There are so many good guitarists out there, I am by no means a very good guitar player.

~Marnie Stern

When I go on and listen to the stuff on the websites, I can't tell, it all sounds like the same band, like they should all be in one band together.

~Marnie Stern

I really don't separate male from female ever with music, I really don't.
