Everyone can walk and talk. Your job is to create magic.

~Martin Landau

It's better to live as your own man, than as a fool in someone else's dream.

~Martin Landau

You can have immediate regrets, but if you look at stuff and say, 'Things happen for a reason', there's a fatalistic thing about it. Something will happen that will justify it in some way

~Martin Landau

The real good comedians, like Chaplin, would make you laugh and a second later, cry

~Martin Landau

Everything that has happened to me is of value to me. As painful as certain things are, and have been, and were, there's a use for those things in my life and in my work

~Martin Landau

I'm very proud of Space 1999. Its success paved the way for other sci-fi shows to follow. My hope is that the DVD release will help it reach a new generation of fans

~Martin Landau

Bad guys don't think they're bad guys. Hitler probably thought he was a wonderful guy doing some wonderful and righteous work for Germany.

~Martin Landau

Doubt is a very important trait. Out of doubt comes thinking, decisions, choices. We learn stuff. We learn to make mistakes. Or not to.

~Martin Landau

I always treat each take as a rehearsal for the next take. That way you can find stuff and keep adding and playing until they tell me to stop

~Martin Landau

God is a luxury I can't afford.

~Martin Landau

If you don't trust yourself, you won't trust others. You make a choice and see where it goes.

~Martin Landau

Just five years before that the Russians were our allies

~Martin Landau

I try to never repeat a character. I always try to find something new and fresh and interesting that inspires me.

~Martin Landau

I did theatrical caricatures.

~Martin Landau

What can I do to help? I am asking my senator to support political action to end hunger in the greatest country on this planet.

~Martin Landau

I've always been interested in science fiction

~Martin Landau

It's OK to be wrong. You learn from your wrongs. You don't learn from being right. If you're right, you already know it. If you're wrong, it's because you don't know about it, and you made a mistake.

~Martin Landau

And the 90% they are not is what I do for a living.
