

# Martin McGuinness

## Quotes

*Government, Doors, Gun, Country, British, Support, People, Party, Process, Ira,  
Thinking, Reality, Majority, Healthy, Car, War, Important, Facts, Ashamed,  
Giving*

The reality is that the people that we represent are no longer going to be second-class citizens in their own country.

~Martin McGuinness

Freedom can be gained only at the point of an IRA rifle, and I apologize to no one for saying that we support the freedom fighters of the IRA.

~Martin McGuinness

Let everyone leave all the guns - British guns and Irish guns - outside the door.

~Martin McGuinness

I haven't done anything that I'm ashamed of.

~Martin McGuinness

Our ability to make a decision about the declaration is hampered by the British government being reluctant to give us the clarification which we require.

~Martin McGuinness

The most important thing to say is that Sinn Fein isn't going back to anything. We are a party on the move.

~Martin McGuinness

The fact is that a car used by Gerry Adams and myself during the course of the Mitchell review was bugged by elements within British military intelligence.

~Martin McGuinness

That's healthy and good for us that there are people who are prepared to question what we are doing.

~Martin McGuinness

The British government needs to bring its system in Ireland under

control.

~Martin McGuinness

Well I think it has always been a mistake to reduce the peace process in Ireland to a decommissioning process.

~Martin McGuinness

Sinn Fein is the fastest growing party on the island of Ireland.

~Martin McGuinness

The British government says that for Sinn Fein to be involved in talks the guns must be left at the door.

~Martin McGuinness

But the fact is that the vast majority of Republicans support the Sinn Fein leadership.

~Martin McGuinness
