I'm glad you're doing this story on us and not on the WNBA. We're so much prettier than all the other women in sports.

~Martina Hingis

I was always at peace because of the way my mom treated me.

~Martina Hingis

I think the whole boycott thing was a bit too much. It's because we're accomplished so much in women's tennis in the last two, three years. We deserve something better.

~Martina Hingis

What rivalry? I win all the matches.

~Martina Hingis

I didn't have the same fitness or ability as the other girls, so I had to beat them with my mind.

~Martina Hingis

A lot of these young girls, they don't even know what the game is about. They have never seen a drop shot, a slice and all the mixture and variety I have.

~Martina Hingis

The older you get, the more you learn.

~Martina Hingis

I'm not saying I'm something special. I might play a little better tennis than other people, but it is because I was given the chance, and not many people are.

~Martina Hingis

I've been on top longer and I am younger. I'm just better.

~Martina Hingis

I feel a quarter Indian.

~Martina Hingis

Sometimes you want to make your own experiences.

~Martina Hingis

I've lived for 10 years in Switzerland, so I speak German.

~Martina Hingis

I have good anticipation, and good reaction to the the ball because I've played so many matches in my life.

~Martina Hingis

I'm sure she wants revenge. I'll just try not to let that happen.

~Martina Hingis

I don't think it's a low point being in the finals of the French Open, three points away from the victory.

~Martina Hingis

I like fast cars. And I like champions.

~Martina Hingis

I grew up on the tennis court with lots of other kids. There were like 40 kids all afternoon and I was one of the youngest ones, so I always had to chase everybody to keep up.

~Martina Hingis

I've always said I'm a good horse but I'm still an underdog.

~Martina Hingis

Right now I like baseball, hockey and tennis players. And horseback riders.

~Martina Hingis

I still speak Czech with my parents because I was born there.

~Martina Hingis

And the '99 finals at the French - if I had won that one easily, no one would have talked about it.

~Martina Hingis

I did things I should not have done. But people make mistakes, especially at my age, when you feel you are so smart, but in fact you are an asshole.

~Martina Hingis

I am number one in the world, so I have the right to be arrogant

~Martina Hingis

Before I was the hunter. Now I'm the hunted.

~Martina Hingis

One day you can be a kid, but another day you have to be like this is your job, you play tennis. You have to work for that.

~Martina Hingis

Any tournament you go to, you want to win it.

~Martina Hingis

Well, maybe at home I don't have the best image.

~Martina Hingis

Now that I beat Lindsay I feel much better.

~Martina Hingis

No, because I think I have a reason to believe in myself and I think I'm also pretty confident about who I am and what I'm doing and it might be because I'm still at the top too.

~Martina Hingis

I went through very emotional things this year, like being in the French Open finals already feeling like you got it and kind of losing it.

~Martina Hingis

I still think I have the speed and the variations also to win the matches, but its very good competition and also a great challenge for me too.

~Martina Hingis

The top players talk more now, and we have more meetings. We're just trying to get things better. But we still need somebody who could make a difference.

~Martina Hingis

Honestly, I'm more into the computer, the Internet, and checking out scores or the news.

~Martina Hingis

The game overall has gotten so much better, stronger, more physical parts to the game.
