

Mary Stuart Masterson

Quotes

*People, Matter, Stories, Running, Thinking, Feels, Acting, Secret, Credit, Hands,
Differences, Directors, Doe, Attention, Expression, Beautiful, Film, Doctors,
Choices, Conscious*

I love film sets, but I don't necessarily love being the center of attention.

~Mary Stuart Masterson

In this case they're doctors. But having passion for your work and to take risks in order to better human kind. That's a pretty big theme. It's pretty inspiring.

~Mary Stuart Masterson

And that's what's beautiful to me, is he did not become a victim of it, and he didn't become a statistic, he just kind of kept on marching through, no matter what people threw at him.

~Mary Stuart Masterson

The secret to success is action, not attitude. Your attitude doesn't matter. It is what you do with your time.

~Mary Stuart Masterson

I don't read reviews, There's no value for me in reading them. Whether they're good or bad, they'll just make me self-conscious.

~Mary Stuart Masterson

I'd like to think Helen very much understood what it was to be disadvantaged in the medical field. And that that was something that she never let dictate her choices.

~Mary Stuart Masterson

Are you a politician or does lying just run in your family?

~Mary Stuart Masterson

I learn a lot from acting, but it's not my natural way. I can't help but write; I do it all the time. It's a condition of being for me.

~Mary Stuart Masterson

I think I am a writer, but professionally I feel drawn to and suited for directing.

~Mary Stuart Masterson

I learned from Francis Ford Coppola to treat the company like your family.

~Mary Stuart Masterson

I feel very privileged that I get to spend my life telling stories that mean something to people.

~Mary Stuart Masterson

As a director, I get to have a much broader creative expression than as an actress.

~Mary Stuart Masterson
