As a young boy I won a few dollars in 1972 when Riva Ridge won the Kentucky Derby. I had overheard someone say he was going to win, and I guess that made an impression on me.

~Matt Gonzalez

If you engage people honestly, and you're willing to do the leg work, people will respond to that.

~Matt Gonzalez

If you are doing well, your business will pay more in tax; if you're not doing well, you pay less.

~Matt Gonzalez

I really am disappointed when I run into people who are angry I'm leaving office.

~Matt Gonzalez

I don't think the schools are getting as much money as they should.

When in some communities selling drugs is so lucrative that that's a pretty big enticement that we have to break down. Part of that is by making opportunities and paying decent wages.

~Matt Gonzalez

When I got into politics, it was a shock. People promise all sorts of things and then never deliver.
