Cutting*

A duplicitous country with a duplicitous leadership is going to give us more duplicity. And that duplicity is going lead us off an abyss. That's going to happen.

~Matt Shea

I make it a policy every election to only debate once, Democrats and Progressives. And I will say that the way that you have acted, very candidly, has been dishonorable in this entire campaign.

~Matt Shea

We had Americans gather together in prayer, before they went to stand before the federal government ... that prayed for peace, that there wouldn't be confrontation.

~Matt Shea

While I've been asked to run for Congress, I really believe we need to defend freedom locally. And by doing that, by just standing at the local level we can make a massive difference.

~Matt Shea

It is absolutely beyond a shadow of a doubt that more firearms in a society actually cuts the amount of crime in that same society.

~Matt Shea

It's great to be with you gun-toting, 10ther, pro-life, Austrian-economics, home-schooling, redoubt-living, Constitutionalist patriots this evening. I think that covers the SPLC's list.

~Matt Shea

We had a lot of people say, you guys are the most ineffective legislators in Olympia and your bills never go anywhere ... They can't say that anymore, can they?

~Matt Shea

We've got some Democrats who are actually Tea Partiers right now. We need to build coalitions with them.

~Matt Shea

We need to understand that being an accomplice or accessory to those who seek to enslave our posterity, is no better than being the folks that are locking the chains themselves.

~Matt Shea

We need to ask ourselves a question: Do we trust God? Is he not the same yesterday, today, and forever? And if he is, then how is compromise a strategy? It's not a strategy, it's wholesale surrender.

~Matt Shea

The ability to defend yourself is a basic necessity like food and water. We exempt food and water from the sales tax.

~Matt Shea
