An estimated 2 million American women will be diagnosed with breast or cervical cancer this decade and screening could prevent up to 30% of these deaths for women over 40.

~Matthew Lesko

A degree of lying - you know, white lies - seems to be inherent in all languages and all forms of communication.

~Matthew Lesko

Many of you might already recognize me as the guy in the question-mark suits appearing in the late night TV commercials and on the cover of educational books and CDs.

~Matthew Lesko

I've been talking about the centrality of libraries in our information society for a while now.

~Matthew Lesko

Government workers often get a bad rap, but it's rare for them to receive much appreciation when government works.

~Matthew Lesko

Not offering this kind of guarantee means that they do not believe in their product enough, and they do not care about if a salesman is over promising or over selling their product.

~Matthew Lesko

Most every dental school has discount dental services.

~Matthew Lesko

A big part of finding the right resources is knowing what to look for and what to avoid.

~Matthew Lesko

What is also strange to me is that public libraries have always been in the forefront of opposing censorship.

~Matthew Lesko

There are thousands of grant programs and every program has different requirements and deadlines.

~Matthew Lesko

No salesman can ever guarantee you a grant from any government or non-profit organization.

~Matthew Lesko

I've been bragging for over 25 years that my first New York Times bestseller was a book I copied from the U.S. Government Printing Office!

~Matthew Lesko

Good government only happens when the people working in it do their jobs, and do them well.

~Matthew Lesko

So if there is a government grant offered for anything, like starting a business or going to school, they cannot discriminate because of your age.

~Matthew Lesko

I've done a dozen or two dozen infomercials.

~Matthew Lesko

As I've said before, free money scams are a problem.

~Matthew Lesko

There are thousands and thousands of free programs available for people of any income level.

~Matthew Lesko

I've been giving free money seminars for the troops at Walter Reed Hospital and one of the Iraqi War Vets realized that the military wouldn't pay for the dental work he needed.

~Matthew Lesko

Many scammers are only using personal checks for payment because they can take the money and run.

~Matthew Lesko

Teachers can go on cruises with the National Oceanographic and Atmospheric Administration and anyone can spend the summer as a volunteer in a National Parks and even earn money doing it.

~Matthew Lesko

There are few in America that really know how to take advantage of the current health care system.

~Matthew Lesko

I am providing a service that many people obviously value.

~Matthew Lesko

I get stuff for free and I sell it for as much as I can get.

~Matthew Lesko

Anyone can make anyone else look bad if they really want to pull things apart enough.

~Matthew Lesko

What I do in my book is let people know about these programs.

~Matthew Lesko

There are many programs specifically aimed at helping people in

poverty start a business.

~Matthew Lesko

We all have to stand by our life's work as the true test of what we have done for the world.

~Matthew Lesko

Liberals like using government to solve problems in OUR country and conservatives are using our government to solve problems in OTHER countries.

~Matthew Lesko

Some of the best health care services are free or cost very little and are even available to millionaires but hardly anyone knows they exist.

~Matthew Lesko

The way we've been neglecting to support our libraries throughout the country is a shame.
