The Social Security trust fund is in pretty good shape today and we should not embark upon risky, dangerous schemes which will, in fact, undermine Social Security, such as privatization.

~Max Baucus

In this ever-changing world, it's more important than ever that our top-notch military continues to receive the resources needed to serve and protect our country.

~Max Baucus

Global overcapacity in steel production can no longer be ignored. Foreign governments' intervention in steel markets has had a devastating impact on the U.S. industry.

~Max Baucus

You're entitled to Medicaid regardless of your income. Don't worry about your health care.

~Max Baucus

Tax complexity itself is a kind of tax.

~Max Baucus

Now is not the time to open the border to receive Canadian beef down to the United States.

~Max Baucus

The administration's attempt to keep us from selling agricultural products to Cuba is an outrage. Cuba is not a threat. That is why we must do more to open Cuba - not less.

~Max Baucus

The Senate is a remarkable institution. It is unique. There is no other body, no other political body, no other democratic legislature in the world quite like the U.S. Senate.

~Max Baucus

It is pretty hard to find the right result to a controversial issue.

~Max Baucus

If I were the president, I would be very concerned... and I would do what was reasonably necessary to find a way to get my people confirmed.

~Max Baucus

Judge Roberts has assured me personally that he has a healthy respect for precedent and the hard-won rights of Americans.

~Max Baucus

I think I'm the luckiest guy in the world.

~Max Baucus

The recovery of the Gulf Coast region will take years to complete.

~Max Baucus

Tax reform is a once-in-a-generation opportunity.

~Max Baucus

Fundamentally, legislation that is historic, that is comprehensive, that has a large number of senators supporting it is more durable.

~Max Baucus

Sequestration is leverage that should not be given up easily.

~Max Baucus

U.S. agricultural products, including safe, high-quality Montana beef, face unscientific trade restrictions in many important markets.

~Max Baucus

I just see a huge train wreck coming down. You and I have discussed this many times, and I don't see any results yet.

~Max Baucus

IRAs are intended for retirement.

~Max Baucus

Health reform is an essential part of restoring America's economy and maintaining our competitiveness.

~Max Baucus

Every American has a right to affordable, high-quality health care.

~Max Baucus

I think I can speak for every Senator, saying that he or she ran for the Senate because we want to help make this a better place; that is, we want to help our States and help America.

~Max Baucus
